

MIDDLESEX
COUNTY COLLEGE

SUMMER 2017

CAMP MIDDLESEX

Theater Camp • Sports • Arts • Computers • Cooking • Science & More!

June 26 - August 18, 2017

Ages 6 - 16

SUCCESS STARTS HERE

EXTENDED DAY PROGRAM (Pre-Camp & After-Camp Options)

Offered as a service to working parents who have children enrolled at Camp Middlesex, the Pre-Camp and After-Camp options are a safe and affordable way to extend your child's camp experience. In the morning your children will be escorted from pre-camp to their camp program. In the afternoon, they will be escorted from their camp program to after-camp. Our program is flexible. Choose pre-camp, after-camp or both to meet your needs.

PRE-CAMP AND AFTER-CAMP PROCEDURES

- Children must be picked up by 6 p.m., or you will be charged a late penalty of **\$25 per half hour**.
- Registration is on a weekly basis only.
- No tuition waivers will be accepted.

SCHOOL RELATIONS OFFICE - MIDDLESEX'S LINK TO THE K-12 SECTOR

School Relations is the College's link to the public, charter, private, and parochial schools for teachers, counselors, administrators, students and parents in grades K-12. Programs include:

- High School Scholars – earn college credit while you are still in high school
- Professional Development for teachers
- New Pathways to Teaching in NJ – an alternate route to teaching program
- Free Information Sessions – check website for dates/times

All program information is available at our website, www.middlesexcc.edu/schoolrelations, or you can email us at schoolrelations@middlesexcc.edu.

Camp Middlesex - Summer Camp at Middlesex County College

2600 Woodbridge Avenue, Edison, NJ

Camp Middlesex is located on a grassy, tree shaded 200-acre site. Campers may choose from a wide variety of half-day and full-day programs. There is a pre-camp and after-camp option, which makes it a perfect solution for working parents.

HERE'S THE DAILY SCHEDULE:

7:30-8:30 a.m.	Pre-Camp Option
8:30 a.m.-12:30 p.m.	Morning Programs
12:30-1 p.m.	Lunch Period - Included in morning session
1-5 p.m.	Afternoon Programs
5-6 p.m.	After-Camp Option

Breaks are included in ALL camps

DROP-OFF AND PICK-UP:

All campers must be dropped off and picked up at their classrooms (or Pre-Camp or After Camp if applicable).

REGISTRATION IS EASY!

Camp Middlesex Health & Waiver and Terms of Participation Forms must be included with each registration

Week #8 (August 14-18).....	page 33

THREE EASY WAYS TO USE THIS BROCHURE

1. By Grade as of September 2017

Use the handy "Camp At A Glance" calendar on the following pages. After each camp title or abbreviation, the numbers between the () will indicate the grade range for that camp. Locate all the programs that your child is qualified to take. For more information about each camp, check the section for that week within the brochure. Each weekly section is divided by AM camps and PM camps, alphabetically.

2. By Date

There are eight weeks of summer fun at Camp Middlesex, beginning June 26 and ending August 18, 2017. Starting on page 7 right after Theater camp, the camps are organized by date and week numbers. Find the dates that work for you and pick the programs of your interest!

3. Alphabetical Index

on page 41 by Camp name.

THEATER CAMP

Honored by the New Jersey Senate, General Assembly & County Freeholders for Artistic Excellence for over 25 years of service to children in Middlesex County. We are so proud of our Theater Camp program which builds self-esteem, confidence and theater skills in children of all ages. Our motto, ***“When you try your best, you can do anything”***, truly embodies the spirit of our camp.

“The program that you put together is incredible. My kids love performing in a different show every week. Unlike a traditional day camp, getting the kids on stage does something amazing for them. I’ve seen their confidence and self-esteem grow.”

- Jeffrey Winston

Each year we receive countless letters and thank you notes as a testament to our campers’ success. If you’d like to read some of these great testimonials visit **www.taubenslagproductions.com** and click on the “Theater Camp” page.

THEATER CAMP IS BACK FOR ITS 28TH SEASON!

Honored by the New Jersey Senate, General Assembly & County Freeholders for Artistic Excellence for over 25 years of service to children in Middlesex County.

Our popular Theater Camp runs for eight weeks during the summer for kids entering 1st grade up to 16 years old.

Half-Day Theater Camp / 8:30 a.m.-1 p.m.

Full-Day Theater Camp / 8:30 a.m.-5 p.m.

Eight weeks of summer fun for teens and kids entering first grade-16 years old. Theater Camp is back for its 28th Season! During the first six weeks, campers will produce elaborate musical productions each week. Week seven and eight are reserved for our "Broadway Spectacular." Roles are provided for all campers. Campers rehearse from 9 a.m. to noon, Monday through Thursday, and perform their musical productions twice every Friday morning on the Main Stage of the MCC Performing Arts Center. Our afternoons are filled with fun activities including swimming, Carnival, Mardi Gras, Scavenger Hunts, Tie Dye Day, Charades, Sing Down, Create An Infomercial and relay races. During the last week of camp we divide into teams for Color War.

SESSION 1, 2 & 3 - June 26-August 18

8 week Full-Day Summer Package

\$1,925- Save \$350

CHTR 007-18 - (Full-Day)

Monday-Friday, 8:30 a.m.-5 p.m.

June 26-August 18 (no camp July 4) (Tuition \$1180 + general fee \$745)

Total \$1,925.

Monday-Friday, 8:30 a.m.-5 p.m.

(Tuition \$ 280 + general fee \$445) Total \$725.

Includes trip to Broadway

Tech Option (Available Sessions I & II only)

Theater Camp programming and activities are under the direction of Michael Taubenslag.

If you have questions about Theater Camp activities, contact Taubenslag Productions at 732.422.7071 or visit www.taubenslagproductions.com.

If you have questions about registration, contact Middlesex County College at 732.906.2556.

(6th, 7th, 8th & 9th graders)

Instead of rehearsing and performing in the weekly shows, we also offer campers in 7th, 8th, or 9th grades the option to participate in "Tech." From 9 a.m.-noon, Tech campers build sets, paint scenery, organize props, and sew and design costumes. During performances, Tech campers function as the stage crew, making sure that sets, scenery, props and costumes are in place. This is an option that requires maturity and the ability to follow direction – perfect for learning what a crew does to make each theatrical performance a success.

Teen Scenes Option (Available Sessions I & II only)

(8th, 9th & 10th graders)

In Teen Scenes, participating kids have the opportunity to learn more advanced theater and acting techniques and prepare a special teen production. The show may consist of monologues, scenes, songs or a complete drama, comedy or musical that features all teens who want to participate. At the end of each three-week Session (Session I and Session II), the "Teen Scene" show is performed for parents, community members and all Theater Campers. Also during each of the regular Friday performances, those in Teens Scenes will act as ushers and theater managers, giving them the opportunity to develop new skills. We expect all teens that are privileged to participate in this special program to adhere to the program rules and be ready to work each and every day.

Camp Trip to Broadway! (Session III only)

For full-day campers, Session III provides a chance to experience the thrill of seeing a professional show in NYC; some for the very first time! Theater Campers will take a field trip on the last Wednesday of Session 3 to see a Broadway show. Shows being considered for our trip this year include: Charlie & the Chocolate Factory, School of Rock, Groundhog Day, Anastasia, Hello Dolly, Aladdin, The Lion King, Blue Man Group or Stomp.

Fantastic Fridays

Fridays are truly fantastic at Theater Camp! First, our campers perform for a packed audience on the Main Stage of the MCC Performing Arts Center. Two shows are held every Friday – at 9:30 a.m. and 11 a.m. After lunch, full-day campers take a quick dip in the pool and then there's always a fun-filled cast party to celebrate the performance and cap off the week's activities. Cast parties are complete with current music, lights, group dances and contests with fabulous prizes. And each week the cast party is themed, such as rock star day, Halloween dance, pajama party, dress as your favorite superhero, beach bash party and even a Theater Camp prom. It all adds up to a summer full of excitement and fun.

(Continued on next page)

We are proud of our Theater Camp program, which builds self-esteem, confidence and theater skills in children of all ages. Our motto, "When you try your best, you can do anything," embodies the spirit of our camp. Each year we receive countless letters and thank you notes as a testament to our campers' success. DAILY SCHEDULE

8:30-9 a.m.

Drop-off and preparation

9 a.m.-12 noon

Monday-Thursday: Rehearsal, Tech or Teen Scene Options

Friday: Performances

9:30 a.m. & 11 a.m.

12-1 p.m.

Lunch: From home or purchased in the College Cafeteria.

1 p.m.

Pick-up for half-day campers

1-2 p.m.

Supervised age-appropriate indoor/outdoor games and activities

Recess

2-4:30 p.m.

Swimming, snack and fun filled activities.

Campers swim in the College's Olympic size indoor pool. All children are required to pass a swimming test at the beginning of each session. Swim period is split into Junior and Senior age campers. Campers swim every day except **August 14-18**.

While one group swims and snacks, the other is preparing for the week's activity (Carnival, Advertise Your Product, Flashlight Sing) or attending workshops such as theater games, audition preparation, dance instruction, improve techniques, stage make-up, and arts and crafts.

4:30-5 p.m.

Prep for pick-up.

REGISTRATION is EASY!

Registration is an easy process and handled directly by Middlesex County College. If you have questions about registration, call 732.906.2556. Theater Camp programming and activities are under the direction of Michael Taubenslag. If you have questions about Theater Camp activities contact Taubenslag Productions at 732.422.7071 or visit www.taubenslagproductions.com.

Interested in being a Theater Camp "Junior" Counselor?

Please email theatercamp@optonline.net

All applicants must be 16-17 years old AND have previously completed the Counselor-In-Training (CIT) program.

There is a \$100 tuition fee*.

June 26 – August 18

Monday-Friday, 8:30 a.m.-5 p.m.

CHTR 012-07

*(Tuition - \$100) No Tuition waivers will be accepted

Counselors In Training (CIT) Program for Teens Entering 10th Grade & Older.

Is your teen interested in enhancing his or her college application, earning recommendations from camp directors and adding to their job hunting resume while continuing to experience the joy of theater and increasing chances for future Theater Camp employment? If the answer is "yes" to any of these questions, this is the place for you! CITs assist counselors throughout the day and are responsible for a variety of tasks such as directing a song or scene, choreographing a dance number and distributing literature. CITs are expected to remain for the full day, every day of the session for which they register.

CIT Requirements: CITs must register for a minimum of two sessions. Admission is by application only.

All CIT applicants must write a letter to our director, Michael Taubenslag, detailing their skills and experience, and reasons for wanting to be a CIT at Theater Camp. **Applicants must include home phone number and email address.** Accepted applicants will be personally notified by Michael Taubenslag. All letters should be emailed to theatercamp@optonline.net or michael@taubenslagproductions.com.

CIT Session 1 – June 26-July 14

3 weeks (no camp July 4)

CHTR 009-15

Monday-Friday, 8:30 a.m.-5 p.m.

(Tuition \$110 + general fee \$185) Total \$295.

CIT Session 2 – July 17-August 4

3 weeks

CHTR 010-15

Monday-Friday, 8:30 a.m.-5 p.m.

(Tuition \$110 + general fee \$185) Total \$295.

CIT Session 3 – August 7-18

2 Weeks

CHTR 011-15

Monday-Friday, 8:30 a.m.-5 p.m.

(Tuition \$110 + general fee \$185) Total \$295.

Theater Camp is an amazing, unique experience where your child can develop their confidence and talent in a fun-filled environment. Our 28th summer of Theater Camp will be a very special one – don't let your kids miss out! Register today!

SAT Prep (grades 8 thru 12)

Taught by skilled and experienced instructors, students will learn fundamental SAT test tricks, strategies, and problem-solving techniques that introduce test-takers to the SAT essay and math components. Two full-length practice tests will be offered on Fridays. **Textbook required:** Available at College Bookstore.

HEALTH WAIVER FORM IS NOT REQUIRED FOR SAT REGISTRATION ONLY!

CSYA 022-32

Instructors: STAFF, Tuesdays & Thursdays, 6:30-8:30 p.m., June 27-August 17, Wednesday, 6:30-8:30 p.m., July 5 (No class July 4) and Fridays, 9 a.m.-1:30 p.m., June 30, August 11 (18 sessions total). (Tuition \$200 + general fee \$199) Total \$399.

Week #1 June 26-30

Lunch and Snacks: All campers should pack a snack. Campers who are enrolled in morning Camps should pack a brown bag lunch, snacks and a beverage.

MORNING (AM) CAMPS

American Girl (grades 2 thru 6)

Join us for a fun-filled week of American Girl activities and discover the historical era each American Girl doll represents. Share their stories, learn about each other and explore issues of today as they relate to American Girl dolls. Be prepared to get crafty and play games that show you that you can do great things if you believe in yourself. Feel free to bring your American Girl doll!

CHGI 044-17

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.), June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
ALLISON PRON

Babysitting 101 (grades 6 thru 9)

Here's how to make yourself a more employable and responsible babysitter. From basic child care skills like diapering and feeding to how to call for emergency help, campers will learn how to entertain children and keep them safe. Training is given in Adult, Child and Infant CPR. American Safety & Health Institute (ASHI) CPR cards are awarded. Cost of CPR Certification is included in total price. Campers must attend all week in order to earn their certificate of completion.

CHGI 017-30

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.), June 26-30 (Tuition \$120 + general fee \$70) Total \$190.
JANELL SMOLK

Camp Cupcake (grades 2 thru 8)

Cupcakes take the cake! In a world where everything is getting big and bigger, the cupcake stands out as a reminder that good things come in small packages. At Camp Cupcake, you'll be measuring, blending, pouring, baking and decorating plain and fancy cupcakes all day long. Following basic recipes, learn to create your own take on yummy cupcake recipes from around the world. Learn decorating tips and icing techniques as you decorate your cupcake projects. At the end of camp, you will take home your own cupcake portfolio filled with recipes, pictures of your projects and homemade recipe cards. Everyone gets to eat the homework. **Please bring an apron, dishtowel and 5 plastic food containers to class.**

PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.

CHGI 045-29

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.), June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
PANITA YETSKO

Capture the Flag, Smash Ball, Four Square & More! (grades 3 thru 8)

Capture the Flag, Smash Ball, Four Square and Can Jam are just a few of the "all sports" weeklong series of indoor and outdoor game challenges of this camp. Running, jumping, throwing and catching equals all kinds of fun. It's every sport rolled into five jam-packed days! No prior experience necessary, just a willingness to move and have fun! Learn that teamwork, good energy, and lots of laughs give new meaning to friendly competition. Campers get to swim in the College's indoor Olympic sized swimming pool too! Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 021-06

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.), June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
STAFF

Cartooning For Kids (grades 2 thru 8)

Express your creativity and learn cartooning essentials all week long! This basic and intermediate camp will explore foundational cartooning techniques and will offer more challenging methods for older/experienced campers. In addition, you will have the opportunity to explore various ways that a cartoon can be used! Funny, zany, expressive, it's all here!

CHPF 088-73

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.), June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
NICK MOCKOVIK

City Planning and Architecture (grades 4 thru 8)

What goes into creating a city? Learn about communities and the essential components of building a neighborhood. Then work together to create a 3D model city out of cardboard, paper boxes, odds and ends, and a lot of imagination! **Please bring cardboard/shoe boxes to create buildings.**

CHGI 011-31

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.), June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
KERI NGAN

Week #1 June 26-30

CSI - Forensic Crime Scene Investigation (grades 3 thru 8)

Become a super sleuth! Learn about forensics, crime scene investigations and crime lab chemistry. Be a forensic scientist for a week, as you sift through data, analyze it and sleuth your way to solving the mystery. Campers will have the opportunity to observe, organize and record data, think critically and conduct tests to solve crime scenes all week long. Close the week with a visit to the local police department. With science, craft and social studies activities, the week will be jam-packed with fun and learning!

CHGI 048-13

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
ALISSA BERSE

DeskTop Publishing (grades 3 thru 8)

Using Microsoft Publisher, learn how to design your own flyers, newsletters, catalogs, family gazettes, business cards, awards and so much more! In addition, learn to search, save and import images from the Internet and scanned materials to give your creations that polished and "professional" look. Whether using the "wizards" or designing your very own templates, learn to compose, edit and stylize your creations to enhance homework assignments or personal projects. **Please bring a USB flash drive to class.**

CHCP 014-19

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
NANCY TORTORELLI

Magic and Imagination (grades 2 thru 8)

Imagine how it would feel to do something that seemed impossible...with magic and imagination, anything is possible. Taught by a professional magician, learn to perform magic tricks using a deck of cards, coins, common objects, and other pocket-sized props. Each camper will receive their own "Box of Fun" containing all of the essential objects needed to begin their magical journey. Learning the fine art of magic elevates a child's inner confidence, communication skills, and creativity. Register for this camp now and amaze everyone in your very own magic show!

CHPF 083-74

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
ALEX "THE CARD MAN" PERRICONE

Maker Labs: Make Your First 3D Creation! (grades 5 thru 8)

Calling all boys and girls who want to be the designers of the future! If you can dream it you can make it. Create your first action figure, design custom jewelry, or make a new toy. Learn how to prepare a model for 3D printing and create a design portfolio to showcase your work! Using professional-level modeling software, campers will sculpt, texture, and render their own 3D creation. No prior experience is necessary and 3D designs will be available on a password protected Black Rocket website to share with friends and family. **3D printing is not included, but can be purchased separately through a 3rd party company.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 051-02

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Minecraft Designers (grades 2 thru 4)

If you love the game Minecraft but always wanted to design your own world, this camp is for you! Learn how to create a custom map, and the basics of creating 3D models using a new software to design your very own object. Also learn how to build with Redstone and Command blocks, and create custom textures to import at home or share with friends. **To access your project at home, you must own a PC/MAC version of Minecraft.**

Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Campers will often work in pairs or teams.

Returning campers can create more advanced projects that build on previous years' work.

CHBR 041-07

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Modeling (grades 2 thru 8)

Seventeen, Teen Beat, Teen. What do all of these magazines have in common? Beautiful models! Do you want to learn their secrets-how they came to look, walk, and dress like they do? Are you thinking about becoming a model or working in the fashion industry? Our camp can give you an insider's look at modeling and teach you the attitude, beauty secrets, poise and etiquette that all models share. Led by a former model and current teacher, learn the first steps to realizing your dreams!

CHPF 006-33

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
MICHELE SHIP

Robotics (grades 2 thru 6)

Are you ready for the future? Join us as we delve into the ever-expanding field of robotics! Build your very own robot and participate in activities that will educate you on the history and inner-workings of modern mechanical creations. Work together to practice proper building techniques, become familiar with basic hand tools, and, at the end of the week, take home a robot of your own!

CHSC 011-43

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
KRISTY RIVERA

Soap Making and Bubbly Stuff (grades 2 thru 8)

Prepare yourself to be amazed because soap making and crafting have never been this much fun! Come and join us and make bars of soap, bath fizzes, fragrant scrubs and plenty of other items to pamper and treat. Learn about essential oils, dried herbs and aromatherapy. Learn techniques such as molding, layering, marbling and swirling to produce masterpieces worthy of gift giving. But, be sure to save some for yourself! Everyone will take home homemade soaps, recipes and other goodies!

CHGI 047-24

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
JODY HEYL

Week #1 June 26-30

Tennis (grades 4 thru 10)

Tennis enthusiasts at all levels will learn to enhance their skills and enjoyment of the game. Emphasis is placed on developing and improving basic skills through individual and group instruction. Each group progresses through a carefully planned program corresponding to its ability. Tennis games along with individual drills and instructional techniques are used daily to ensure fun while learning. Camp Equipment: Each camper must bring sneakers/tennis shoes, tennis racquet, towel, sweat socks and shorts. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Tennis campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 020-50 – Session I

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
STAFF

AFTERNOON (PM) CAMPS

Amusement Park Physics (grades 2 thru 6)

Have you ever wondered how they design and build those crazy rollercoasters and other amusement park rides? Join us and learn about friction, gravity, momentum, velocity, and other effects of force and motion as they relate to theme park rides. We'll design, construct, and test loop-the-loops, marble catchers, ball machines, Ferris wheels, swinging amusement rides, and more. This is the way to experiment and build as you learn physics concepts in a fun and activity-based atmosphere.

CHSS 004-07

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$80 + general fee \$95) Total \$175.
SUPER SCIENCE FOR KIDS

Animal Planet (grades 2 thru 6)

Join this camp for a weeklong adventure into the Animal Kingdom. Our focus on Monday will be insects like caterpillars, butterflies and snails. Tuesday takes us into the ocean and seas to visit fish, "Octopus – Socktopus," and writing stories to "Under the Sea I will see...". We head for the Rainforest on Wednesday and get to know the toucan, monkey and make animal masks. Pets like dogs and cats and hamsters and bunnies will be our Thursday project and we'll write and talk about pets we'd like to have one day. We'll finish up the week with penguins and birds and learn about chick hatching. Be sure to join us for crafts, games and stories to keep us busy all week long!

CHGI 066-05

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
ALLISON PRON

Camp Cupcake (grades 2 thru 8)

Cupcakes take the cake! In a world where everything is getting big and bigger, the cupcake stands out as a reminder that good things come in small packages. At Camp Cupcake, you'll be measuring, blending, pouring, baking and decorating plain and fancy cupcakes all day long. Following basic recipes, learn to create your own take on yummy cupcake recipes from around the world. Learn decorating tips and icing techniques as you decorate your cupcake projects. At the end of camp, you will take home your own cupcake portfolio filled with recipes, pictures of your projects and homemade recipe cards. Everyone gets to eat the homework. **Please bring an apron, dishtowel and five plastic food containers to class.**

PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.

CHGI 045-30

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
PANITA YETSKO

Creating Comic Books & Super Heroes (grades 2 thru 8)

Ever wonder how your favorite comic book characters are created? Well wonder no more! Experience the same creative process as professional comic creators as you create your very own unique character and learn how to tell a story with it. From character creation to essential storytelling components, this is Comic Book 101!

CHPF 029-28

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
NICK MOCKOVIK

Duct Tape Divas (grades 2 thru 7)

Duct Tape isn't just for adults anymore! Join the latest crafting craze that's sweeping the nation! Be the envy of your friends as you design creative fashions and crafts that are sure to bring out your inner diva. From hot pink zebra stripes to funky tie-dyes, there's no limit to what duct tape can do! Lots of projects to wear and use. Great to keep for yourself or give as gifts.

CHPF 061-10

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$105 + general fee \$70) Total \$175.
FYI CREATIONS

Graphic Arts & Projects (grades 3 thru 8)

Design calling or business cards, greeting cards, stationary, calendars, door hangers, masks and posters by using basic art and photography software on the PC. Visit designated web sites that offer free artwork and learn how to "import" and save it for future use. There will be plenty of time for individual projects to create one-of-a-kind specialties. Using a transfer, you will have the opportunity to create a unique T-shirt. **Please bring a white T-shirt and USB flash drive to class.**

CHCP 010-26

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
NANCY TORTORELLI

Week #1 June 26-30

Minecraft Designers (grades 5 thru 8)

If you love the game Minecraft, but always wanted to design your own world, this camp is for you! Learn how to create a custom map and the basics of creating 3D models using a new software to design your very own object. Also learn how to build with Redstone and Command blocks, and create custom textures to import at home or share with friends. **To access your project at home, you must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 040-07

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Painting with Watercolor (grades 3 thru 8)

Explore the basics of building a good watercolor foundation and experiment with a variety of techniques. With a little practice and a lot of imagination, discover the special properties of watercolors in a variety of projects. Themes will range from underwater discoveries to outer space. No previous experience needed. Individual attention and guidance will be provided. **Please bring a smock/old t-shirt.**

CHPF 022-22

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
KERI NGAN

Piggy Banks and Portfolios (grades 3 thru 8)

Get ready to enter the world of personal finance and learn to save and manage your money wisely! Did you know that kids between 8 and 12 spend \$19.1 billion annually and that 13 to 19 year olds spend \$94.7 billion annually? That's a whole lotta cash!!! Imagine your life at 28. Did you go to college? What career did you choose? Have you bought a house or car? What is a mortgage? How did you develop a budget and determine your monthly expenses? If you learn to manage your money wisely when you are young, as an adult it will be easy to use credit cards intelligently, balance your checking accounts, make sound stock investments and pay your taxes! **Please bring a USB flash drive to class.**

CHLF 004-20

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
JANELL SMOLK

Robotics (grades 2 thru 6)

Are you ready for the future? Join us as we delve into the ever-expanding field of robotics! Build your very own robot and participate in activities that will educate you on the history and inner-workings of modern mechanical creations. Work together to practice proper building techniques, become familiar with basic hand tools, and, at the end of the week, take home a robot of your own!

CHSC 011-44

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
KRISTY RIVERA

Sign Language (grades 2 thru 8)

Learn to sign the alphabet, your name and lots of vocabulary to go along with it! Activities will include games, skits and sign language relays. By week's end, campers will be part of a "signing" performance for family and friends. Don't delay, "sign" up today!

CHFL 029-24

Monday-Friday, 1-5 p.m.
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
YVONNE BEYER

Soap Making and Bubbly Stuff (grades 2 thru 8)

Prepare yourself to be amazed because soap making and crafting have never been this much fun! Come and join us and make bars of soap, bath fizzes, fragrant scrubs and plenty of other items to pamper and treat. Learn about essential oils, dried herbs and aromatherapy. Learn techniques such as molding, layering, marbling and swirling to produce masterpieces worthy of gift giving. But be sure to save some for yourself! June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
JODY HEYL

Toy Designers: Make Your First Toy (grades 2 thru 4)

Calling all campers who want to be the toy designers of the future! In this camp, if you can dream it you can make it. Create your first action figure, super hero, or make a new toy or figurine. By conceptualizing and designing your own 3D models, learn how to sculpt, texture, and render your first toy! No prior experience is necessary and 3D designs will be available on a password protected Black Rocket website to share with friends and family. **3D printing is not included, but can be purchased separately through a 3rd party company.** Campers will often work in pairs or teams.

CHBR 062-01

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

21st Century STEM (Science, Technology, Engineering AND Math) (grade 3 thru 8)

Jobs in STEM are growing at nearly twice the national average! Activities in STEM foster valuable 21st century life skills, while providing opportunities to create positive change and build a better world. Develop your creativity, critical thinking, collaboration skills and confidence while working in teams as well as individually. Can you support a heavy book with one sheet of paper? Can you create a boat that floats and holds the most mass? Other hands-on activities may include creating magnetic slime and musical straw instruments.

CHGI 069-02

Monday-Friday, 1-5 p.m.,
June 26-30 (Tuition \$120 + general fee \$55) Total \$175.
ALISSA BERSE

Week #2 July 3-7 (4 days) (NO CAMP JULY 4)

Lunch and Snacks: All campers should pack a snack. Campers who are enrolled in morning Camps should pack a brown bag lunch, snacks and a beverage.

Theater Camp (continues) See page 5 and 6 for details.

MORNING (AM) CAMPS

Camp Cupcake (grades 2 thru 8)

Cupcakes take the cake! In a world where everything is getting big and bigger, the cupcake stands out as a reminder that good things come in small packages. At Camp Cupcake, you'll be measuring, blending, pouring, baking and decorating plain and fancy cupcakes all day long. Following basic recipes, learn to create your own take on yummy cupcake recipes from around the world. Learn decorating tips and icing techniques as you decorate your cupcake projects. At the end of camp, you will take home your own cupcake portfolio filled with recipes, pictures of your projects and homemade recipe cards. Everyone gets to eat the homework. **Please bring an apron, dishtowel and five plastic food containers to class.**

PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.

CHGI 045-31

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

PANITA YETSKO

Double Dutch, Hop Scotch and Other Playground Games (grades 2 thru 8)

Is your favorite subject in school "playground?" If so, this camp is for you! Did you know that Double Dutch is a world-wide sport with over 100,000 boys and girls competing at national and international events? Double Dutch is a rope skipping activity played when two ropes are turning in an eggbeater fashion. While the ropes are turned a third person jumps in. In addition, campers will play favorites such as Red Light, Green Light, Spud and Seven-Up. Double Dutch campers get to swim in the College's indoor Olympic-sized swimming pool too! Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Double Dutch campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHGI 030-16

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

EARLEEN JONES

Drawing for Beginners (grades 3 thru 8)

Whether you're a doodler or have never picked up a pencil, learn basic drawing principals and techniques as well as gain a greater working knowledge of line, shape, perspective, proportion, volume, and composition. Using art media, such as graphite, color pencils, and pastels, explore different art theories on composition by creating a variety of projects such as still life and portraits. Who knows? You may discover you are the next Picasso!

CHAR 042-05

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

NICK MOCKOVIAK

Escape the Camp (grades 2 thru 7)

Everywhere you look, it seems like Escape Rooms are all the rage! A team of people sign up to be locked in a room, and must find clues and solve puzzles to complete a given mission and find the key to escape. The question is: how could we harness this excitement and momentum and bring it to camp? Welcome to Escape the Camp! Each day, work together to solve a number of puzzles in order to "escape the camp." Don't worry, parents! Our campers aren't really breaking out of the campus. An "escape" just means that the campers had the skills to conquer the given challenge! By the end of the week, campers will create their own escape games to ignite critical thinking skills, teamwork, and complex problem solving.

CHGI 082-01

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$100 + general fee \$60) Total \$160.

FYI Creations

Flight & Rocketry: Come Soar with Us! (grades 3 thru 8)

Blast off into a fun-filled week of flight, rocketry and physics as you build and launch scale model rockets, planes and other flying gadgets. Build paper airplanes and gliders and compete against your fellow campers in our aviation competition. We'll have contests to determine accuracy, distance, hang time, best loops, best boomerang, worst crash landing and many more. Converting empty plastic soda bottles into high-flying rockets provides a great opportunity to discover important scientific principles such as Newton's Laws, acceleration, thrust and inertia. This camp is the "Wanna-Be a Rocket Scientist's" dream come true! Bring two 2-liter empty, clean and dry soda bottles to camp as well as two-three plastic grocery bags on the first day of camp!

CHSC 092-50

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

DOLORES TAYLOR

Week #2 July 3-7 (4 days) (NO CAMP JULY 4)

Hip Hop & Street Jazz (grades 2 thru 8)

Whether you are a seasoned dancer or just trying something new, Camp Middlesex is excited to offer Hip Hop & Street Jazz dance camp just for you! Weekly dance classes will consist of the latest hip hop and street jazz dance moves. Warm-up, learn technical skills, coordination exercises and musicality to fun upbeat songs. Get off the couch and come move to the beat for a great workout and loads of fun! Campers get to swim in the College's indoor Olympic-sized swimming pool too. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHPF 064-14

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

NICOLE MORATH

Keyboarding Kraze! (grades 3 thru 8)

Computers and communicating via electronic means are becoming second nature to everyone. Learn the proper keyboarding techniques that will ensure success in speed and accuracy. From learning the home row to correct formatting of Microsoft Word documents, campers will learn the importance of using proper techniques to reduce the risk of stress injuries such as carpal tunnel syndrome. Emphasis is placed on mastering techniques before attempting to increase typing speed as the week passes. Working in Microsoft Word, become familiar with many of the software features that will enable you to work more efficiently.

CHCP 015-21

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

MARIA PERRY

LEGO Star Wars & Motorized Machines (grades 2 thru 7)

LEGO enthusiasts, have fun building your favorite adventure from a Star Wars galaxy that is far, far away. Star Wars projects will include age-appropriate new models and the best of some of the older models. Also, build a wide assortment of non-Star Wars motorized LEGO Education technic machines and create his or her own projects that illustrate science concepts. Examples include cranes, remote controlled cars, a player piano, and many more.

CHSS 010-03

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$73 + general fee \$87) Total \$160.

SUPER SCIENCE FOR KIDS

Make Your First Video Game (grades 5 thru 8)

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind camp that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Camper-created games will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers, MAC versions can be created after the program for \$15 conversion fee. Campers will often work in pairs or team. Returning campers can create more advanced projects that build on previous years' work.

CHBR 004-24

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$58 + general fee \$111) Total \$169.

BLACK ROCKET

Minecraft Modders (grades 2 thru 4)

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Camper projects will be available on a password-protected Black Rocket website to share with friends and family. **To access their project at home, campers must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 048-05

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No Camp July 4) (Tuition \$58 + general fee \$111) Total \$169.

BLACK ROCKET

Pre-Algebra Boot Camp (grades 6 thru 7)

What is pre-algebra all about? Become familiar with algebraic properties, expressions, and equations. Integers, the coordinate plane, and data representations will also be explored. Dive into these concepts while completing activities, games, and solving real-life problems. Uncover those math mysteries and learn to feel more confident with your math skills!

CHGI 073-01

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

CHRISTINE HEYL

Princess For A Day (grades 2 thru 6)

Calling all royalty...this camp is for you! Tiaras and tutus, castles and crafts – come enjoy a week of princess activities! Make your own snow like the legendary ice queen, create wands for the magic that doesn't end at midnight, and make elaborate jewelry. Experience the "Royal Treatment" as you role play princess characteristics of kindness, friendship, and bravery. The camp week concludes with a "Happily Ever After Dance Party" for all to enjoy!

CHGI 072-03

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

KRISTY RIVERA

Week #2 July 3-7 (4 days) (NO CAMP JULY 4)

Still Life & Landscape Painting (grades 3 thru 8)

This camp includes projects with a range of techniques and approaches for acrylic paintings to appropriately challenge artists of all skill levels. Each painting will be a one-of-a-kind masterpiece! Guidance and individual attention will be provided to allow each camper to develop his or her own unique style.

Please bring in a smock/old t-shirt to class. During the week, campers will be asked to bring in items to create a still life painting. **Optional: Bring in a photo of a landscape to use as a reference.**

CHAR 038-19

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40)
Total \$160.
KERI NGAN

Volleyball (grades 4 thru 10)

It's not just for the beach anymore! Volleyball is becoming one of the fastest growing sports in America. Players at all levels are welcome, so join in, develop your skills and have fun doing it. Emphasis is placed on developing basic skills through individual and group instruction. Camp Equipment: Each camper must bring sneakers, towel, sweat socks and shorts. Campers who swim must bring a suit, towel and a gym, lock. Lockers and shower facilities are available in the Physical Education Center. Volleyball campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 005-24

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.
STAFF

Writing & Publishing Your Very Own Book (grades 5 thru 8)

Future writers and editors are invited to participate in a writing workshop in which they will learn about plot, setting, dialogue, revisions and text illustration. You will use Word 2010 and no prior experience is required. "Publish" your own book using a PC, complete with graphics, four colors and an originally designed hard cover. Each book will be professionally bound and sent to your home. **Please bring a USB flash drive to class.**

CHWJ 019-32

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 3-14 (9 days) (No class July 4) (Tuition \$216 + general fee \$99) Total \$315.
EMILY CONNORS

AFTERNOON (PM) CAMPS

Camp Cupcake (grades 2 thru 8)

Cupcakes take the cake! In a world where everything is getting big and bigger, the cupcake stands out as a reminder that good things come in small packages. At Camp Cupcake, you'll be measuring, blending, pouring, baking and decorating plain and fancy cupcakes all day long. Following basic recipes, learn to create your own take on yummy cupcake recipes from around the world. Learn decorating tips and icing techniques as you decorate your cupcake projects. At the end of camp, you will take home your own cupcake portfolio filled with recipes, pictures of your projects and homemade recipe cards. Everyone gets to eat the homework. **Please bring an apron, dishtowel and five plastic food containers to class.**

PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.

CHGI 045-32

Monday-Friday, 1-5 p.m.,
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.
PANITA YETSKO

Cartooning For Kids (grades 2 thru 8)

Express your creativity and learn cartooning essentials all week long! This basic and intermediate camp will explore foundational cartooning techniques and will offer more challenging methods for older/experienced campers. In addition, you will have the opportunity to explore various ways that a cartoon can be used! Funny, zany, expressive, it's all here!

CHPF 088-74

Monday-Friday, 1-5 p.m.,
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.
NICK MOCKOVIK

Clay Creations (grades 3 thru 8)

If you enjoy working with your hands and getting a little dirty, this is the camp for you! Learn a variety of techniques to form, shape, carve, roll, stamp, and paint air-dry clay sculptures. Projects may include pinch pots, relief, crazy critters, and other fun ideas. **Please bring a smock/old t-shirt to class.**

CHAR 039-19

Monday-Friday, 1-5 p.m.,
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.
KERI NGAN

Keyboarding Kraze! (grades 3 thru 8)

Computers and communicating via electronic means are becoming second nature to everyone. Learn the proper keyboarding techniques that will ensure success in speed and accuracy. From learning the home row to correct formatting of Microsoft Word documents, learn the importance of using proper techniques to reduce the risk of stress injuries such as carpal tunnel syndrome. Emphasis is placed on mastering techniques before attempting to increase typing speed as the week passes. Working in Microsoft Word, become familiar with many of the software features that will enable you to work more efficiently.

CHCP 015-22

Monday-Friday, 1-5 p.m.,
July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.
MARIA PERRY

Week #2 July 3-7 (4 days) (NO CAMP JULY 4)

Kitchen Chemistry (grades 2 thru 6)

Household ingredients + scientific exploration = fun! See how items found in everyone's home turn kitchens into a chemistry lab. Each day we'll investigate new ingredients to see how they react with one another. Learn about chemical reactions, density, pH, matter and physical changes through hands-on activities. And make surprise treats to enjoy while doing scientific experiments!

CHSC 014-19

Monday-Friday, 1-5 p.m.,

July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

DOLORES TAYLOR

Make Your First Video Game (grades 2 thru 4)

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind camp that shows you the keys to designing your first **2D** platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Camper-created games will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers, MAC versions can be created after the program for \$15 conversion fee. Campers will often work in pairs or team. Returning campers can create more advanced projects that build on previous years' work.

CHBR 003-24

Monday-Friday, 1-5 p.m.,

July 3-7 (4 days) (No camp July 4) (Tuition \$58 + general fee \$111) Total \$169.

BLACK ROCKET

Minecraft Modders (grades 5 thru 8)

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Camper projects will be available on a password protected Black Rocket website to share with friends and family. **To access their project at home, campers must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 049-05

Monday-Friday, 1-5 p.m.,

July 3-7 (4 days) (No camp July 4) (Tuition \$58 + general fee \$111) Total \$169.

BLACK ROCKET

Pre-Algebra Boot Camp (grades 6 thru 7)

What is pre-algebra all about? Become familiar with algebraic properties, expressions, and equations. Integers, the coordinate plane, and data representations will also be explored. Dive into these concepts while completing activities, games, and solving real-life problems. Uncover those math mysteries and learn to feel more confident with your math skills!

CHGI 073-02

Monday-Friday, 1-5 p.m.,

July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

CHRISTINE HEYL

Stamping-It-Up! (grades 2 thru 8)

Learn the paper layering process to create simply stupendous stamping creations! Design stationary, thank-you and birthday cards, invitations, nametags, gift bags, place cards and lots more! We'll use lots of ribbons, lace, flecked and rolled papers, as well as the latest ink colors and stamping pads to create personalized masterpieces that everyone will envy. Join us for tons of stamping fun!

CHPF 027-12

Monday-Friday, 1-5 p.m.,

July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

STAFF

STEM Inventions with LittleBits (grades 2 thru 7)

STEM stands for Science, Technology, Engineering and Math. In this invention workshop, enhance your skills with a great new system of discovery called LittleBits. LittleBits is a system of easy-to-use electronic building blocks that empower you to invent anything, from your own remote controlled car, to a smart home device. The Bits snap together with magnets; no soldering, no wiring, and no programming needed. Begin with several inventions intended to let you understand how the components work together and then design and create your own inventions.

CHSS 011-01

Monday-Friday, 1-5 p.m.,

July 3-7 (4 days) (No camp July 4) (Tuition \$73 + general fee \$87) Total \$160.

SUPER SCIENCE FOR KIDS

Teaching 101 (grades 2 thru 7)

Are you thinking about becoming a teacher when you grow up? Would you like to learn how to decorate a bulletin board and classroom, create fun worksheets and lesson plans, and maintain a grade book? If so, then this is the camp for you. From creating graphic organizers to grading papers, this course will provide you with all the necessary basics to become a great teacher. Get out your red pens and prepare to embark on this magical teaching journey. This course is a definite A+!

CHGI 027-17

Monday-Friday, 1-5 p.m.,

July 3-7 (4 days) (No camp July 4) (Tuition \$100 + general fee \$60) Total \$160.

FYI CREATIONS

The Story of Me! (grades 3 thru 4)

We are making writing and drawing creative and fun for first time authors! How would you like to write a book all about yourself? Or someone in your family? Or your pet? You will answer a series of questions and scenarios and bring photos in from home to enhance your story. Manuscripts will be printed on glossy premium paper and bound professionally with a durable hard cover. In addition to promoting literacy and creative thinking, writing develops ideas and self-expression. No computer skills needed for these first-time writers.

CHWJ 007-01

Monday-Friday, 1-5 p.m.

July 3-7 (4 days) (No camp July 4) (Tuition \$120 + general fee \$40) Total \$160.

STAFF

Week #3 July 10-14

Lunch and Snacks: All campers should pack a snack. Campers who are enrolled in morning Camps should pack a brown bag lunch, snacks and a beverage.

Theater Camp (continues) See page 5 and 6 for details.

Writing & Publishing Camp cont'd

MORNING (AM) CAMPS

Animal Planet (grades 2 thru 6)

Join this camp for a weeklong adventure into the Animal Kingdom. Our focus on Monday will be insects like caterpillars, butterflies and snails. Tuesday takes us into the ocean and seas to visit fish, "Octopus – Socktopus," and writing stories to "Under the Sea I will see...". We head for the Rainforest on Wednesday and get to know the toucan, monkey and make animal masks. Pets such as dogs and cats and hamsters and bunnies will be our Thursday project and we'll write and talk about pets we'd like to have one day. We'll finish up the week with penguins and birds and learn about chick hatching. Be sure to join us for crafts, games and stories to keep us busy all week long!

CHGI 066-06

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
ALLISON PRON

Basketball (grades 4 thru 10)

The College's Physical Education Center features 12 teaching stations (baskets) with five full basketball courts. The use of nine-foot-high baskets for younger players allows for shooting drills to be practiced at a comfortable height, encouraging proper form. Camp Equipment: Campers must bring sneakers, sweat socks and towels. Campers who swim must also bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Basketball campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 016-54 Session 1

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
STAFF

City Planning and Architecture (grades 4 thru 8)

What goes into creating a city? Learn about communities and the essential components of building a neighborhood. Then work together to create a 3D model city out of cardboard, paper boxes, odds and ends, and a lot of imagination! **Please bring cardboard/shoe boxes to create buildings.**

CHGI 011-32

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
KERI NGAN

Cool Cookin' (grades 2 thru 8)

This is food central and you are the Top Chef! Join us for a fun-filled week crammed with delicious foods and tantalizing treats! Cook your way through summer with delicious main courses, fun desserts, morning foods, afternoon snacks, international favorites and thirst quenching drinks. At the end, a complete recipe book will be yours to keep. **Please bring an apron, dishtowel and 5 plastic food containers to class. PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.**

CHGI 002-56

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
KIM LANGELLA

Fashion Design (grades 3 thru 8)

Whether you design for Ashley Simpson, Britney Spears, Christina Aguilera, or just for yourself, fashion has a message! Fashion isn't just clothing. It's accessories, jewelry, hairstyles, beauty and body art as well. What we wear and how we wear it tells others how we feel and what we want others to feel when they see us. Explore the basics of fashion design and create new styles by making a presentation board and using pre-made fashion figures to design a special evening outfit, ball dress, beach wear and more.

CHPF 042-19

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
DAWN NOONAN

Game Labs – Collaborate-Create-Compete - Ultimate Video Game Experience

(grades 5 thru 8)

For serious gamers only! Beyond 2D and 3D, now it's time to take it to another level by competing with the world! Develop games with a partner using a unique game engine. Learn advanced level editing, simple 3D modeling, intermediate event scripting and the impact of game play on user experience. Campers will often work in pairs or teams for most of the program. System requirements for home experience: 2GB of RAM, and 2.0GHZ processor.

CHBR 056-01

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Golf: How to Play the Game (grades 4 thru 8)

Join us this summer and participate in the sport that is sweeping the nation! Learn the skills of how to play the game such as grip, stance, swing, putting and chipping. Rain or shine, we have it covered. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Golf campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria. **Prerequisite: None**

CHSP 004-43

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
STAFF

Interior Decorating For Kids (grades 3 thru 8)

Be your own interior decorator! Learn the effects different color combinations have on your mood and what your favorite colors say about your personality. By creating your own personal theme, along with furniture placement, fabrics, color and accessories, you can design a room that reflects your individuality! At the end of the week you can take home a professional looking design board to help you implement your plan! **Please bring a home décor/furniture magazine to camp.**

CHGI 031-15

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
KRISTY RIVERA

Junior Physicians - Discovering the Human Body (grades 2 thru 7)

Discover the anatomy of the world's most complicated system – the human body! Explore the science behind blood, bones, how a model of the human body works, and more. Test for blood types, make a map of the tongue, perform simulated heart and brain surgery, and more.

CHSS 005-05

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$80 + general fee \$95) Total \$175.
SUPER SCIENCE FOR KIDS

Week #3 July 10-14

Magic and Imagination (grades 2 thru 8)

Imagine how it would feel to do something that seemed impossible...with magic and imagination, anything is possible. Taught by a professional magician, learn to perform magic tricks using a deck of cards, coins, common objects, and other pocket-sized props. Each camper will receive his or her own "Box of Fun" containing all of the essential objects needed to begin a magical journey. Learning the fine art of magic elevates a child's inner confidence, communication skills, and creativity. Register for this camp now and amaze everyone in your very own magic show!

CHPF 083-75

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
ALEX "THE CARD MAN" PERRICONE

Math Olympics (grades 1 thru 3)

Join us this summer for a challenging camp that incorporates learning with fun! Age-appropriate activities include math games, logic problems, skill building activities, group and individual competitions and much, much more. Learn and play different games daily to help reinforce basic facts, fractions, probability, logic and geometry. Build up your math muscles, bulk up your brain cells and tone your strategizing skills!

CHGI 010-31

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
CHRISTINE HEYL

Minecraft Designers (grades 2 thru 4)

If you love the game Minecraft, but always wanted to design your own world, this camp is for you! Learn how to create a custom map, and the basics of creating 3D models using a new software to design your very own object. Also learn how to build with Redstone and Command blocks, and create custom textures to import at home or share with friends. **To access your project at home, you must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 041-08

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Soap Making and Bubbly Stuff (grades 2 thru 8)

Prepare yourself to be amazed because soap making and crafting have never been this much fun! Come and join us and make bars of soap, bath fizzies, fragrant scrubs and plenty of other items to pamper and treat. Learn about essential oils, dried herbs and aromatherapy. Learn techniques such as molding, layering, marbling and swirling to produce masterpieces worthy of gift giving. But, be sure to save some for yourself! Everyone will take home homemade soaps, recipes and other goodies!

CHGI 047-26

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
JODY HEYL

21st Century STEM (Science, Technology, Engineering AND Math) (grade 3 thru 8)

Jobs in STEM are growing at nearly twice the national average! Activities in STEM foster valuable 21st century life skills, while providing opportunities to create positive change and build a better world. Develop your creativity, critical thinking, collaboration skills and confidence while working in teams as well as individually. Can you support a heavy book with one sheet of paper? Can you create a boat that floats and holds the most mass? Other hands-on activities may include creating magnetic slime and musical straw instruments.

CHGI 069-03

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
ALISSA BERSE

WebWorks: How to Design Your Own Web Page (grades 6 thru 9)

Would you like to design your own web page but have no idea where to begin? Then this camp is for you! Using Dreamweaver CS5, learn to create, update and organize your very own web page! Your friends and family will be able to see what's new and exciting in your life by "checking out" your personalized web page. ***USB and earbuds or headphones REQUIRED.**

CHCP 006-42

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
MARIA PERRY

AFTERNOON (PM) CAMPS

Architectural & Engineering Challenges with LEGOs and K'NEX (grades 2 thru 7)

Campers will design straw towers, balsa bridges and Lego and K'nex™ architecture projects. Have fun building famous structural designs from around the world including the Empire State Building, Imperial Hotel, White House, Flat Iron Building, Seattle Space Needle, and more. Develop science, technology, engineering and mathematical skills that stress structural engineering principles in a fun, hands-on environment.

CHSS 007-03

Monday-Friday, 1-5 p.m.,
July 10-14 (Tuition \$80 + general fee \$95) Total \$175.
SUPER SCIENCE FOR KIDS

Camp MakerSpace (grades 2 thru 7)

Critical thinking, problem-solving, and engineering skills can help all kids get ahead in today's world. How can we encourage these 21st century skills? Through hands-on exploration, tinkering, and play! Come together to create, invent, and design using a variety of everyday items and household materials. Each day, be introduced to new makerspace projects that encourage creative thinking and hands-on inventing. The only limits to what you can do is your own imagination!

CHGI 075-01

Monday-Friday, 1-5 p.m.,
July 10-14 (Tuition \$105 + general fee \$70) Total \$175.
FYI CREATIONS

Week #3 July 10-14

Card Games, Board Games & Puzzle Fun (grades 3 thru 8)

A little “bored?” Join us for puzzles, cards and lots of new and old favorite “board” games that can be played individually or in small groups. Learn the tricks and trades of old favorites like Monopoly and Othello, Spit and Phase 10, and strategies for the latest craze on the market. Discover the history of some of the classics and trivia about card games and wacky puzzles that will delight you. Who were those Parker Brothers? Milton Bradley who? We’ll have contests and prizes too. Join us for some real fun and let the games begin!

KERI NGAN

Robotics (grades 2 thru 6)

Are you ready for the future? Join us as we delve into the ever-expanding field of robotics! Build your very own robot and participate in activities that will educate you on the history and inner-workings of modern mechanical creations. Work together to practice proper building techniques, become familiar with basic hand tools, and, at the end of the week, take home a robot of your own!

CHSC 011-45

Monday-Friday, 1-5 p.m.,
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
ZOE KARAGAN

Sewing for Beginners (grades 5 thru 10)

Ready, set, SEW!!! Learn vocabulary for sewing and fabrics, and be introduced to machine sewing techniques. This class is for campers who have little or no experience in using a sewing machine independently. You are welcome to bring your own machines; class machines will also be available. A list of required supplies to bring to the first class will be sent to you along with your camp confirmation letter.

CHPF 040-25

Monday-Friday, 1-5 p.m.,
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
RAMONA TAYLOR

Soap Making and Bubbly Stuff (grades 2 thru 8)

Prepare yourself to be amazed because soap making and crafting have never been this much fun! Come and join us and make bars of soap, bath fizzes, fragrant scrubs and plenty of other items to pamper and treat. Learn about essential oils, dried herbs and aromatherapy. Learn techniques such as molding, layering, marbling and swirling, to produce masterpieces worthy of gift giving. But, be sure to save some for yourself! Everyone will take home homemade soaps, recipes and other goodies!

CHGI 047-27

Monday-Friday, 1-5 p.m.,
July 10-14 (Tuition \$120 + general fee \$55) Total \$175.
JODY HEYL

Week #3 July 10-14

Super Summer Reading (grades 1 thru 3)

Sure, reading is fun, reading expands your mind, reading is just overall AWESOME! But did you know that reading can help you keep on track for the upcoming school year? The best way to keep your brain super smart is to read each and every day. In this camp we'll read new books and old favorites. We'll do crafts and reading activities that will include reading out loud, reading for comprehension and building your vocabulary. Menus, road maps, directions and weather reports are reading material too! Get a jump on the school year and visit old friends like the Berenstain Bears, Flat Stanley, Frances and Amelia Bedelia!

CHGI 054-10

Monday-Friday, 1-5 p.m.,

July 10-14 (Tuition \$120 + general fee \$55) Total \$175.

ALLISON PRON

Trash to Treasure Arts & Crafts (grades 2 thru 8)

We all like to recycle to help the environment, but it is even more fun to turn items headed for the dumpster into amazing and usable treasures! Cereal boxes become personalized one-of-a-kind journals, broken crayons and baby food jars become colorful rainbow candles! Make decorative paper bowls and plates from junk mail and old magazines. Glass jars transform into beautiful stained glass vases to hold your flowers. Spend the week creating one-of-a-kind art projects made from recyclable, reusable household materials and/or items found in nature.

Please bring two empty cereal boxes, a clean/ dry glass jar with the label removed, and a clean glass baby food jar to camp if you can.

CHAR 041-06

Monday-Friday, 1-5 p.m.,

July 10-14 (Tuition \$120 + general fee \$55) Total \$175.

ALISSA BERSE

WebWorks: How to Design Your Own Web Page (grades 3 thru 5)

Would you like to design your own web page but have no idea where to begin? Then this camp is for you! Using Dreamweaver CS5, learn how to create, update and organize your very own web page! Your friends and family will be able to see what's new and exciting in your life by "checking out" your personalized web page. **Please bring a USB flash drive to class. *USB and earbuds or headphones REQUIRED.**

CHCP 008-41

Monday-Friday, 1-5 p.m.,

July 10-14 (Tuition \$120 + general fee \$55) Total \$175.

MARIA PERRY

Week #4 July 17-21

Lunch and Snacks: All campers should pack a snack. Campers who are enrolled in morning Camps should pack a brown bag lunch, snacks and a beverage.

Theater Camp (continues) See page 5 and 6 for details.

MORNING (AM) CAMPS

Beginner Hindi for Conversation (grades 6 thru 8)

Learn a new language, Hindi – the fourth most spoken language in the world! In this three-week course, become familiar with everyday phrases and simple sentences that you can use while talking with your friends and their families, as well as during shopping trips to Indian stores. Take a "virtual" trip and explore travel and everyday life in India. Understand and enjoy Bollywood songs and movies, even without subtitles, through various fun-filled exercises, games, group discussions and activities. No prior knowledge of the Hindi language is needed for this course.

CHFL 010-01

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-August 4 (Tuition \$210 + general fee \$185) Total \$395.
(3 weeks)

Savita Bala, B.A., M.A., Hindi; Teacher Certification, World Language (Hindi)

Capture the Flag, Smash Ball, Four Square & More! (grades 3 thru 8)

Capture the Flag, Smash Ball, Four Square and Can Jam are just a few of the "all sports" week-long series of indoor and outdoor game challenges of this camp. Running, jumping, throwing and catching equals all kinds of fun. It's every sport rolled into five jam-packed days! No prior experience necessary, just a willingness to move and have fun! Learn that teamwork, good energy, and lots of laughs give new meaning to friendly competition. Campers get to swim in the College's indoor Olympic-sized swimming pool too! Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 021-07

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.

STAFF

Chess (grades 3 thru 7)

Not sure about your next move? Why not consider MCC's chess camp and develop the critical life skills of logical thinking, creative problem solving, concentration and organization? Led by a chess master, math teacher and member of the U.S. Chess Federation with over 25 years of experience, this camp teaches basic moves and strategy. Participate in other math and logic games that facilitate fun and enhance brainpower. A chess tournament will top off this fun-filled week and the winner will receive his or her very own chess set!

CHGI 005-65

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.

PINKUS PAVLOTSKIY

Week #4 July 17-21

Creating Comic Books & Super Heroes (grades 2 thru 8)

Ever wonder how your favorite comic book characters are created? Well wonder no more! Experience the same creative process as professional comic creators as you create your very own unique character and learn how to tell a story with them. From character creation to essential storytelling components, this is Comic Book 101!

CHPF 029-29

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
NICK MOCKOVIK

CSI - Forensic Crime Scene Investigation (grades 3 thru 8)

Become a super sleuth! Learn about forensics, crime scene investigations and crime lab chemistry. Be a forensic scientist for a week, as you sift through data, analyze it and sleuth your way to solving the mystery. Campers will have the opportunity to observe, organize and record data, think critically and conduct tests to solve crime scenes all week long! Close the week with a visit to the local police department. With science, craft and social studies activities, the week will be jam-packed with fun and learning.

CHGI 048-14

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
ALISSA BERSE

Desserts & More Desserts! (grades 2 thru 8)

Dessert is that sweet little treat at the end of the meal that often makes getting through the soup, salad and main course worth the while! Cookies, cakes, pies and candy. Parfaits, chocolates, bars and delicious drinks. Dessert-a-Holics who just can't get enough of these delectable treats will have the opportunity to make scrumptious desserts and mouth watering treats all summer long! Yummo! A complete recipe book is yours to keep. **Please bring an apron, dishtowel and five plastic food containers to class. No prerequisite required. PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.**

CHGI 025-41

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
KIM LANGELLA

Dr. Seuss' Wonderful World (grades 1 thru 3)

"The more that you read, the more things you will know. The more that you learn, the more places you'll go!" Welcome to the wacky and wonderful world of Dr. Seuss. Join us in a magical adventure where we read and discover valuable lessons from characters while building and developing our vocabulary. Enjoy a week of crafting, reading, writing and having fun. We'll search for red fish and blue fish and even help Horton find his speck because after all, "A person's a person no matter how small." We hope you can join us – camp will be filled with Thing 1, Thing 2 and Thing YOU!

CHGI 074-01

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
ALLISON PRON

Graphic Arts & Projects (grades 3 thru 8)

Design calling or business cards, greeting cards, stationary, calendars, door hangers, masks and posters by using basic art and photography software on the PC. Visit designated web sites that offer free artwork and learn how to "import" and save it for future use. There will be plenty of time for individual projects to create one-of-a-kind specialties. Using a transfer, you will have the opportunity to create a unique T-shirt. **Please bring a white T-shirt and USB flash drive to class.**

CHCP 010-27

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
NANCY TORTORELLI

Hip Hop & Street Jazz (grades 2 thru 8)

Whether you are a seasoned dancer or just trying something new, Camp Middlesex is excited to offer Hip Hop & Street Jazz dance camp just for you! Weekly dance classes will consist of the latest hip hop and street jazz dance moves. Warm-up, learn technical skills, coordination exercises and musicality to fun upbeat songs. Get off the couch and come move to the beat for a great workout and loads of fun! Campers get to swim in the College's indoor Olympic-sized swimming pool too. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHPF 064-15

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
NICOLE MORATH

Jewelry Making (grades 2 thru 8)

Earrings, bracelets, rings and necklaces! Use wire, polymer clay, beads, jute and a host of other materials to create unique pieces of jewelry and art. It takes only a few simple tools and an assortment of easy-to-learn techniques to craft the most exquisite jewelry. Create one-of-a-kind jewelry that reflects your style and personality. Nobody else will have anything like it!

CHPF 020-32

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
SUSAN PIPITONE

Make Your First 3-D Video Game! (grades 5 thru 8)

Try this new version of a Black Rocket classic! This camp allows you to develop a game concept that goes well beyond the limitations of traditional 2D game design and create an immersive 3D world. Learn the physics behind 3D games, explore beginner event scripting, level design, controlling flow of gameplay, and storytelling. Camper-created games will be available on a password protected Black Rocket website to share with friends and family. Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 023-07

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Week #4 July 17-21

Mosaic Madness (grades 3 thru 8)

Create a dazzling array of projects as you learn the ancient art of mosaics. If you like working with your hands and have an eye for color, then this camp is for you! Projects will range from simple paper mosaics to more complex grout and tile mosaics. Each project you create will be a one-of-a-kind masterpiece to take home! **Please bring in a box to bring home all your creations at the end of the week.**

CHPF 026-26

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
KERI NGAN

Robotics (grades 2 thru 6)

Are you ready for the future? Join us as we delve into the ever-expanding field of robotics! Build your very own robot and participate in activities that will educate you on the history and inner-workings of modern mechanical creations. Work together to practice proper building techniques, become familiar with basic hand tools, and, at the end of the week, take home a robot of your own!

CHSC 011-46

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
KRISTY RIVERA

Star Wars® Stop Animation (grades 2 thru 4)

Make your own Star Wars adventure come to life! Bring in your favorite action or Star Wars figures and create a short film with your friends. Whether you want to recreate a scene from Star Wars or design a new world of your own, this camp brings your dreams to the screen. Bring in Star Wars action figures or vehicles from home, but all other equipment provided. Camper-created films will be available on a password-protected website to share with friends and family. Campers will often work in pairs or teams.

CHBR 064-01

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

STEM Inventions with LittleBits (grades 2 thru 7)

STEM stands for Science, Technology, Engineering and Math. In this invention workshop, enhance your skills with a great new system of discovery called LittleBits. LittleBits is a system of easy-to-use electronic building blocks that empower you to invent anything, from your own remote controlled car to a smart home device. The Bits snap together with magnets; no soldering, no wiring, and no programming needed. Begin with several inventions intended to let you understand how the components work together and then design and create your own inventions.

CHSS 011-02

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 17-21 (Tuition \$80 + general fee \$95) Total \$175.
SUPER SCIENCE FOR KIDS

Tennis (grades 4 thru 10)

Tennis enthusiasts at all levels will learn to enhance their skills and enjoyment of the game. Emphasis is placed on developing and improving basic skills through individual and group instruction. Each group progresses through a carefully planned program corresponding to its ability. Tennis games along with individual drills and instructional techniques are used daily to ensure fun while learning. Camp equipment: Each camper must bring sneakers/tennis shoes, tennis racquet, towel, sweat socks and shorts. Campers who swim must bring a suit, towel and gym lock. Lockers and shower facilities are available in the Physical Education Center. Tennis campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
KIM LANGELLA

Creative Writing (grades 5 thru 8)

Do you like to write short stories or poetry? Do you get a thrill creating your own plots, characters, and story line? Would you like to learn how to polish that first draft into an original masterpiece? Come to this camp to hone your basic writing skills, develop a vivid vocabulary, and discover new ways to keep those creative juices flowing. Get the guidance you need to put you on the road to that first novel.

CHWJ 001-22

Monday-Friday, 1-5 p.m.,
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
KAREN ANOLIK

DeskTop Publishing (grades 3 thru 8)

Using Microsoft Publisher, learn how to design your own flyers, newsletters, catalogs, family gazettes, business cards, awards and so much more! In addition, learn to search, save and import images from the Internet and scanned materials to give your creations that polished and "professional" look. Whether using the "wizards" or designing your very own templates, learn to compose, edit and stylize your creations to enhance homework assignments or personal projects. **Please bring a USB flash drive to class.**

CHCP 014-20

Monday-Friday, 1-5 p.m.,
July 17-21 (Tuition \$120 + general fee \$55) Total \$175.
NANCY TORTORELLI

Digital Photography (grades 4 thru 8)

Technique and style are just a few of the elements that go into taking great pictures. Learn how a camera really works and how to utilize different camera settings for different types of photos. Once we've taken lots of pictures, we'll use Photoshop to manipulate the images and use them in artistic and imaginative ways to create a variety of take home projects. ***Bring your digital camera, connection cords, memory card, memory card reader, a USB flash drive and a plain white T-shirt with you to class.**

CHPT 001-29

Monday-Friday, 1-5 p.m.,

Week #5 July 24-28

Golf: How to Play the Game (grades 4 thru 8)

Join us this summer and participate in the sport that is sweeping the nation! Learn the skills of how to play the game such as grip, stance, swing, putting and chipping. Rain or shine, we have it covered. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Golf campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the college Cafeteria. **Prerequisite: None**

CHSP 004-44

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

STAFF

LEGO Star Wars & Motorized Machines (grades 2 thru 7)

LEGO enthusiasts, have fun building your favorite adventure from a Star Wars galaxy that is far, far away. Star Wars projects will include age-appropriate new models and the best of some of the older models. Also, build a wide assortment of non-Star War motorized LEGO Education technic machines and create your own projects that illustrate science concepts. Examples include cranes, remote controlled cars, a player piano, and many more.

CHSS 010-04

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 24-28 (Tuition \$76 + general fee \$99) Total \$175.

SUPER SCIENCE FOR KIDS

Minecraft© Animators (grades 5 thru 8)

Bring your favorite Minecraft characters to life in an animated short film! Learn how Pixar and Disney studios make movies like *Inside Out* and *Frozen* by using the techniques of keyframing, tweening, texturing, and animating rigged 3D models! Camper projects will be available on a password-protected Black Rocket website to share with friends and family. **Campers do not need to own a Minecraft account to use the software in this class. MAC users can play their project at home, but will not be able to edit the project without a PC.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 055-02

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 24-28 (Tuition \$59 + general fee \$140) Total \$199.

BLACK ROCKET

Robotics (grades 2 thru 6)

Are you ready for the future? Join us as we delve into the ever-expanding field of robotics! Build your very own robot and participate in activities that will educate you on the history and inner-workings of modern mechanical creations. Work together to practice proper building techniques, become familiar with basic hand tools, and, at the end of the week, take home a robot of your own!

CHSC 011-47

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

KRISTY RIVERA

Still Life & Landscape Painting (grades 3 thru 8)

This camp includes projects with a range of techniques and approaches for acrylic paintings to appropriately challenge artists of all skill levels. Each painting will be a one-of-a-kind masterpiece! Guidance and individual attention will be provided to allow each camper to develop his or her own unique style.

Please bring in a smock/old t-shirt to class. During the week, campers will be asked to bring in items to create a still life painting. Optional: Bring in a photo of a landscape to use as a reference.

CHAR 038-20

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 24-28 (Tuition \$120 + general fee \$55) Total \$175

KERI NGAN

Study Skills for Junior High School Students (grades 7, 8, 9)

Tired of spending hours reviewing for your tests? Looking to take better notes or understand stories better? Then this is the class for you! Explore ways to be a better student, improve your grades and reduce anxiety by reviewing the skills of time management, concentration, listening, note taking, reading and writing and learning about your personal style.

CHGI 065-07

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

DAWN NOONAN

Virtual Reality: The Future is Now (grades 2 thru 4)

Embark on an EPIC adventure in virtual reality! In this cutting edge class, learn the foundations of VR design by creating their own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. **Campers do not need a mobile device to take the class, but to use the VR headset at home a camper will need access to an Android or Apple mobile device.** Campers will often work in pairs or teams. Cost of the VR headset is included in the total price.

CHBR 059-01

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 24-28 (Tuition \$60 + general fee \$159) Total \$219.

BLACK ROCKET

Volleyball (grades 4 thru 10)

It's not just for the beach anymore! Volleyball is becoming one of the fastest growing sports in America. Players at all levels are welcome, so join in, develop your skills and have fun doing it. Emphasis is placed on developing basic skills through individual and group instruction. Camp equipment: Each camper must bring sneakers, towel, sweat socks and shorts. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Volleyball campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 005-25

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

STAFF

Week #5 July 24-28

AFTERNOON (PM) CAMPS

Architectural & Engineering Challenges with LEGOs and K'NEX (grades 2 thru 7)

Campers will design straw towers, balsa bridges and Lego and K'nex™ architecture projects. Have fun building famous structural designs from around the world including the Empire State Building, Imperial Hotel, White House, Flat Iron Building, Seattle Space Needle, and more. Develop science, technology, engineering and mathematical skills that stress structural engineering principles in a fun, hands-on environment.

CHSS 007-04

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$80 + general fee \$95) Total \$175.

SUPER SCIENCE FOR KIDS

Cartooning For Kids: Advanced (grades 4 thru 8)

Do you want to take your cartooning skills to the next level? Explore various ways to apply your cartooning skills- making comic strips, editorial cartoons, caricatures, story boards, and so much more! Look at character design and how you can create your own cartoon characters! Join us and you never know- you could be the next Walt Disney! **Prerequisite: Must have completed Cartooning For Kids.**

CHPF 055-08

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

NICK MOCKOVIK

Clay Creations (grades 3 thru 8)

If you enjoy working with your hands and getting a little dirty, this is the camp for you! Learn a variety of techniques to form, shape, carve, roll, stamp, and paint air-dry clay sculptures. Projects may include pinch pots, relief, crazy critters, and other fun ideas. **Please bring a smock/old t-shirt to class.**

CHAR 039-21

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

KERI NGAN

Creative Writing (grades 7 thru 10)

Do you like to write short stories or poetry? Do you get a thrill creating your own plots, characters, and story line? Would you like to learn how to polish that first draft into an original masterpiece? Come to this camp to hone your basic writing skills, develop a vivid vocabulary, and discover new ways to keep those creative juices flowing. Get the guidance you need to put you on the road to that first novel. **Bring a USB flash drive to class.**

CHWJ 002-25

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

KAREN ANOLIK

Desserts & More Desserts! (grades 2 thru 8)

Dessert is that sweet little treat at the end of the meal that often makes getting through the soup, salad and main course worth the while! Cookies, cakes, pies and candy. Parfaits, chocolates, bars and delicious drinks. Dessert-a-Holics who just can't get enough of these delectable treats, will have the opportunity to make scrumptious desserts and mouth watering treats all summer long! Yummo! A complete recipe book is yours to keep. **Please bring an apron, dishtowel and five plastic food containers to class. No prerequisite required. PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.**

CHGI 025-42

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

KIM LANGELLA

Escape the Camp (grades 2 thru 7)

Everywhere you look, it seems like Escape Rooms are all the rage! A team of people sign up to be locked in a room, and must find clues and solve puzzles to complete a given mission and find the key to escape. The question is: how could we harness this excitement and momentum and bring it to camp? Welcome to Escape the Camp! Each day, work together to solve a number of puzzles in order to "escape the camp." Don't worry, parents! Our campers aren't really breaking out of the campus. An "escape" just means that the campers had the skills to conquer the given challenge! By the end of the week, campers will create their own escape games to ignite critical thinking skills, teamwork, and complex problem solving.

CHGI 082-02

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$105 + general fee \$70) Total \$175.

FYI Creations

Magic and Imagination (grades 2 thru 8)

Imagine how it would feel to do something that seemed impossible...with magic and imagination, anything is possible. Taught by a professional magician, learn to perform magic tricks using a deck of cards, coins, common objects, and other pocket-sized props. Each camper will receive his or her own "Box of Fun" containing all of the essential objects needed to begin their magical journey. Learning the fine art of magic elevates a child's inner confidence, communication skills, and creativity. Register for this camp now and amaze everyone in your very own magic show!

CHPF 083-77

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

ALEX "THE CARD MAN" PERRICONE

Minecraft® Animators (grades 2 thru 4)

Bring your favorite Minecraft characters to life in an animated short film! Learn how Pixar and Disney studios make movies like *Inside Out* and *Frozen* by using the techniques of keyframing, tweening, texturing, and animating rigged 3D models! Camper projects will be available on a password-protected Black Rocket website to share with friends and family. **Campers do not need to own a Minecraft account to use the software in this class. MAC users can play their project at home, but will not be able to edit the project without a PC.** Campers will often work in pairs or teams. CHBR 054-02

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$59 + general fee \$140) Total \$199.

BLACK ROCKET

Week #5 July 24-28

Model United Nations (grades 4 thru 8)

Have you ever wanted to be a problem solver? Help those less fortunate? Change the world? Well, here is your chance! Explore current, real world issues by becoming an ambassador to the United Nations. Learn to employ a variety of communication and critical thinking skills in order to represent the policies of their country. These skills include public speaking, group communication, research, policy analysis, negotiating and conflict resolution. Gain a better understanding of compromise and cooperation while developing solutions to world problems.

CHGI 064-04

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

DAWN NOONAN

Piggy Banks and Portfolios (grades 3 thru 8)

Get ready to enter the world of personal finance and learn to save and manage your money wisely! Did you know that kids between 8 and 12 spend \$19.1 billion annually and that 13 to 19 year olds spend \$94.7 billion annually? That's a whole lotta cash!!! Imagine your life at 28. Did you go to college? What career did you choose? Have you bought a house or car? What is a mortgage? How did you develop a budget and determine your monthly expenses? If you learn to manage your money wisely when you are young, as an adult it will be easy to use credit cards intelligently, balance your checking accounts, make sound stock investments and pay your taxes! **Please bring a USB flash drive to class.**

CHLF 004-21

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

JANELL SMOLK

Sewing for Beginners (grades 5 thru 10)

Ready, set, SEW!!! Learn vocabulary for sewing and fabrics, and be introduced to machine sewing techniques. This class is for campers who have little or no experience in using a sewing machine independently. You are welcome to bring your own machines; class machines will also be available. A list of required supplies to bring to the first class will be sent to you along with your camp confirmation letter.

CHPF 040-26

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

RAMONA TAYLOR

Sketch Up (grades 3 thru 8)

Google Sketch Up is an easy-to-use 3D modeling software that enables you to create 3D models of houses, buildings, rockets and many other objects using an array of drag and drop tools and materials in a WYSIWYG editing environment. You can design your objects with rectangles, circles, ovals, arcs, lines and freehand drawings, and use a unique push/pull tool to add dimension to 2D objects. The program offers a library of building material patterns (brick, concrete, wood, glass, carpet, etc.) and colors that you can use to add a realistic look to your creation. You can plan a house, design textile prints or invent an amusement park ride! Developing an interest in computer drawing with Google Sketch Up could lead to a future career choice in architecture or engineering – who knows! **Campers should bring headphones and USB flash drive to class.**

CHCP 019-11

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$120 + general fee \$55) Total \$175.

LINDA KOZDEN

The Juggling Workshop-For All Skill Levels (grades 3 thru 8)

Juggling improves coordination, concentration, and confidence! Learn to juggle two, three, four and possibly five balls as well as partner juggling and amazing tricks! Use fun props including spinning plates, poi, juggling sticks, rings, and clubs. Fun team-building games are part of the daily activities! Beginners are encouraged to attend this exciting, non-competitive class. If you can juggle already, this class is for you too! Juggling is a hobby that will last a lifetime!

CHPF 066-04

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$70 + general fee \$105) Total \$175.

THE JUGGLING TEAM

Virtual Reality: The Future is Now (grades 5 thru 8)

Embark on an EPIC adventure in virtual reality! In this cutting edge class, learn the foundations of VR design by creating their own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. **Campers do not need a mobile device to take the class, but to use the VR headset at home a camper will need access to an Android or Apple mobile device.** Campers will often work in pairs or teams. Cost of the VR headset is included in the total price.

CHBR 058-01

Monday-Friday, 1-5 p.m.,

July 24-28 (Tuition \$60 + general fee \$159) Total \$219.

BLACK ROCKET

Week #6 July 31-August 4

Lunch and Snacks: All campers should pack a snack. Campers who are enrolled in morning Camps should pack a brown bag lunch, snacks and a beverage.

Theater Camp (continues) See page 5 and 6 for details.

Hindi Camp continues. See page 18 for details.

MORNING (AM) CAMPS

APP Attack! (grades 5 thru 8)

Take the first steps into the world of mobile app design and customize your own game app! Using a specialized app & game development tool, explore the world of web-based (HTML5) mobile apps. In addition to learning the basics of mobile app design and game development, see firsthand how the world of app publishing functions. Camper-created apps will be accessible on a private site and can be played on any mobile device or computer. Publishing to App Stores not included. **No prior experience is necessary and campers do not need to own a smartphone or tablet to take the camp.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 024-06

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),

July 31-August 4 (Tuition \$59 + general fee \$140) Total \$199.

BLACK ROCKET

Week #6 July 31-August 4

Basketball (grades 4 thru 10)

The College's Physical Education Center features 12 teaching stations (baskets) with five full basketball courts. The use of nine-foot-high baskets for younger players allows for shooting drills to be practiced at a comfortable height, encouraging proper form. Camp equipment: Campers must bring sneakers, sweat socks and towels. Campers who swim must also bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Basketball campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 016-55 Session II

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
STAFF

Capture the Flag, Smash Ball, Four Square & More! (grades 3 thru 8)

Capture the Flag, Smash Ball, Four Square and Can Jam are just a few of the "all sports" weeklong series of indoor and outdoor game challenges of this camp. Running, jumping, throwing and catching equals all kinds of fun. It's every sport rolled into five jam-packed days! No prior experience necessary, just a willingness to move and have fun! Learn that team work, good energy, and lots of laughs give new meaning to friendly competition. Campers get to swim in the College's indoor Olympic-sized swimming pool too! Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 021-08

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
STAFF

Card Games, Board Games & Puzzle Fun (grades 3 thru 8)

A little "bored?" Join us for puzzles, cards and lots of new and old favorite "board" games that can be played individually or in small groups. Learn the tricks and trades of old favorites like Monopoly and Othello, Spit and Phase 10, and strategies for the latest craze on the market. Discover the history of some of the classics and trivia about card games and wacky puzzles that will delight you. Who were those Parker Brothers? Milton Bradley who? We'll have contests and prizes too. Join us for some real fun and let the games begin!

CHGI 021-26

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
DAWN NOONAN

Desserts & More Desserts! (grades 2 thru 8)

Dessert is that sweet little treat at the end of the meal that often makes getting through the soup, salad and main course worth the while! Cookies, cakes, pies and candy. Parfaits, chocolates, bars and delicious drinks. Dessert-a-Holics who just can't get enough of these delectable treats will have the opportunity to make scrumptious desserts and mouth watering treats all summer long! Yummo! A complete recipe book is yours to keep. **Please bring an apron, dishtowel and 5 plastic food containers to class. No prerequisite required. CHGI 025-43

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
LISA PAYNE

Flight & Rocketry: Come Soar with Us! (grades 3 thru 8)

Blast off into a fun-filled week of flight, rocketry and physics as you build and launch scale model rockets, planes and other flying gadgets. Build paper air planes and gliders and compete against your fellow campers in our aviation competition. We'll have contests to determine accuracy, distance, hang time, best loops, best boomerang, worst crash landing and many more. Converting empty plastic soda bottles into high-flying rockets provides a great opportunity to discover important scientific principles such as Newton's Laws, acceleration, thrust and inertia. This camp is the "Wanna-Be a Rocket Scientist's" dream come true! **Bring two 2-liter empty, clean and dry soda bottles to camp as well as two-three plastic grocery bags on the first day of camp!**

CHSC 092-52

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
DOLORES TAYLOR

Genealogy: Tracing Your Family Tree (grades 2 thru 8)

Ever wonder if there are any princes, famous politicians, movie stars or well-known singers in your family history? Confused by how you are related to all those folks you meet at family gatherings? Understand what is meant by "once or twice removed?" Did your grandparents arrive by boat? Are you the first to be born in the USA? What language is spoken in your home? By navigating through public records, family papers and interviewing relatives, campers will create a cherished and informative piece of family history that will amaze and delight family members for years to come! **PLEASE NOTE: Finding records may be very hard for recent immigrants and those with ancestors from certain parts of the world.**

CHGI 023-04

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
JON EVANS

Hip Hop & Street Jazz (grades 2 thru 8)

Whether you are a seasoned dancer or just trying something new, Camp Middlesex is excited to offer Hip Hop & Street Jazz dance camp just for you! Weekly dance classes will consist of the latest hip hop and street jazz dance moves. Warm-up, learn technical skills, coordination exercises and musicality to fun upbeat songs. Get off the couch and come move to the beat for a great workout and loads of fun! Campers get to swim in the College's indoor Olympic-sized swimming pool too. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHPF 064-16

KERI NGAN

Week #6 July 31-August 4

Cool Cookin' (grades 2 thru 8)

This is food central and you are the Top Chef! Join us for a fun-filled week crammed with delicious foods and tantalizing treats! Cook your way through summer with delicious main courses, fun desserts, morning foods, afternoon snacks, international favorites and thirst quenching drinks. At the end, a complete recipe book will be yours to keep. **Please bring an apron, dishtowel and five plastic food containers to class. PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.**

CHGI 002-59

Monday-Friday, 1-5 p.m.,
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
LISA PAYNE

Digital Photography (grades 4 thru 8)

Technique and style are just a few of the elements that go into taking great pictures. Learn how a camera really works and how to utilize different camera settings for different types of photos. Once we've taken lots of pictures, we'll use Photoshop to manipulate the images and use them in artistic and imaginative ways to create a variety of take home projects. ***Bring your digital camera, connection cords, memory card, memory card reader, a USB flash drive and a plain white T-shirt with you to class.**

CHPT 001-30

Monday-Friday, 1-5 p.m.,
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
LORI PACANSKY

Fashion Design (grades 3 thru 8)

Whether you design for Ashley Simpson, Britney Spears, Christina Aguilera, or just for yourself, fashion has a message! Fashion isn't just clothing. It's accessories, jewelry, hairstyles, beauty and body art as well. What we wear and how we wear it tells others how we feel and what we want others to feel when they see us. Explore the basics of fashion design and create new styles by making a presentation board and using pre-made fashion figures to design a special evening outfit, ball dress, beach wear and more.

CHPF 042-20

Monday-Friday, 1-5 p.m.,
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
DAWN NOONAN

Girls Rule! (grades 2 thru 7)

Girls rule in this stylin' get-together where everyone is sure to have a blast! Join us in this fun-filled camp of glitz and glamour where it's great to be a girl. Campers can look forward to spending the day in their pajamas at our "Slumber Party" or relaxing on "Salon 'N' Spa Day" with do-it-yourself beauty treatments and pedicures. Your creative flair will be put to test with a variety of very fancy projects to craft, including makeup bags, glitter body gel, lip gloss, and more. So take a cue from us and make every day a girly day!

CHGI 024-21

Monday-Friday, 1-5 p.m.,
July 31-August 4 (Tuition \$105 + general fee \$70) Total \$175.
FYI CREATIONS

Harry Potter (grades 2 thru 7)

Step into the world of Harry Potter and get "sorted" into the house that is just right for you! Compete in activities to gain (or lose) points toward the House Cup. Make edible polyjuice potions, play trivia games, reenact famous scenes and make a wand that fits your personality! What was Harry's first broom? At the Yule Ball what did Harry order to eat? Who was the original owner of the invisibility cloak? All these questions and more will be answered when you join the wizardry world of Harry Potter!

CHGI 041-20

Monday-Friday, 1-5 p.m.,
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.
SHAUNA EVANS

LEGO Star Wars & Motorized Machines (grades 2 thru 7)

LEGO enthusiasts, have fun building your favorite adventure from a Star Wars galaxy that is far, far away. Star Wars projects will include age-appropriate new models and the best of some of the older models. Also, build a wide assortment of non-Star War motorized LEGO Education technic machines and create their own projects that illustrate science concepts. Examples include cranes, remote controlled cars, a player piano, and many more.

CHSS 010-05

Monday-Friday, 1-5 p.m.,
July 31-August 4 (Tuition \$76 + general fee \$99) Total \$175.
SUPER SCIENCE FOR KIDS

Minecraft Modders (grades 5 thru 8)

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Camper projects will be available on a password-protected Black Rocket website to share with friends and family. **To access their project at home, campers must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 049-06

Monday-Friday, 1-5 p.m.,
July 31-August 4 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Not Just Jeans! (grades 5 thru 10)

For those of you who have had some experience working on a sewing machine, here is a new approach to creating new fashions and recycling at the same time! Bring an old pair of jeans to camp with you on the first day and by the end of the week you will have created four new items! You will make a shoulder bag, small handbag, wall hanging and pillow. Lots of ribbons, buttons and other embellishments to add that very personal and one-of-a-kind look! You will never look at an old piece of clothing the same way again!

CHPF 057-06

Monday-Friday, 1-5 p.m.,
July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175
RAMONA TAYLOR

Week #6 July 31-August 4

Origami-The Art of Folding Paper (grades 3 thru 8)

You asked for it! Let's get together and put our fingertips to work. In origami camp, you will fold into life (artistically speaking of course!) creations like cranes, a talking dog, a jumping frog, monkey and the mountain, and sitting cat. Floral designs you can choose from are the magic rose, origami lotus, and origami lily. You can use these amazing folded creations to gift wrap and enhance birthday and holiday gifts. Or keep them for display to show everyone how talented you are! For the geometry lover, we will make boxes and cubes, an Epcot Ball, and an origami gyroscope! Feel free to bring along any origami instructions that you may want to try.

CHAR 043-05

Monday-Friday, 1-5 p.m.,

July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.

LINDA KOZDEN

Robotics (grades 2 thru 6)

Are you ready for the future? Join us as we delve into the ever-expanding field of robotics! Build your very own robot and participate in activities that will educate you on the history and inner-workings of modern mechanical creations. Work together to practice proper building techniques, become familiar with basic hand tools, and, at the end of the week, take home a robot of your own!

CHSC 011-48

Monday-Friday, 1-5 p.m.,

July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.

KRISTY RIVERA

WebWorks: How to Design Your Own Web Page (grades 6 thru 9)

Would you like to design your own web page but have no idea where to begin? Then this camp is for you! Using Dreamweaver CS5, learn to create, update and organize your very own web page! Your friends and family will be able to see what's new and exciting in your life by "checking out" your personalized web page. **Please bring a USB flash drive to class. *USB and earbuds or headphones REQUIRED.**

CHCP 006-43

Monday-Friday, 1-5 p.m.,

July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.

MARIA PERRY

Where in the World and What Do They Speak? (grades 2 thru 8)

Where is Count Dracula's castle? What is a continent and how many are there? What language is spoken in Brazil? How long is the world's longest river? What does a cartographer do? Where is London Bridge? By studying different languages and cultures, we open our perspective and gain a broader understanding of the world and the different people who inhabit our Earth. As you make your travel brochure and get your passport stamped, you will also learn how to say hello, good-bye, how are you and more in five different languages! Join us for a week of games, crafts, hands-on projects and lots of fun as we explore the world, its people, places, languages and food! When you finish this camp, you will be ready to be a world traveler in the future! **Campers should bring headphones and a USB flash drive to class.**

CHGI 059-08

Monday-Friday, 1-5 p.m.,

July 31-August 4 (Tuition \$120 + general fee \$55) Total \$175.

JON EVANS

Week #7 August 7-11

Lunch and Snacks: All campers should pack a snack. Campers who are enrolled in morning Camps should pack a brown bag lunch, snacks and a beverage.

Theater Camp (continues) See page 5 and 6 for details.

MORNING (AM) CAMPS

Amusement Park Physics (grades 2 thru 6)

Have you ever wondered how they design and build those crazy rollercoasters and other amusement park rides? Join us and learn about friction, gravity, momentum, velocity, and other effects of force and motion as they relate to theme park rides. We'll design, construct, and test loop-the-loops, marble catchers, ball machines, Ferris wheels, swinging amusement rides, and more. This is the way to experiment and build as you learn physics concepts in a fun and activity-based atmosphere.

CHSS 004-08

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),

August 7-11 (Tuition \$80 + general fee \$95) Total \$175.

SUPER SCIENCE FOR KIDS

App Adventures! The Next Level (grades 5 thru 8)

Continue your quest to make the next viral app! Whether you want to move past the basic techniques learned in *App Attack* or want to jump right in, we are ready for you! Campers will choose from a selection of different web-based (HTML5) mobile apps and explore more in-depth programming concepts. Camper projects will be accessible on a Black Rocket site and can be played on any mobile device or computer. Publishing to App Stores not included. **No prior experience is necessary and campers do not need to own a smartphone or tablet to take the camp.** Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 036-05

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),

August 7-11 (Tuition \$59 + general fee \$140) Total \$199.

BLACK ROCKET

Camp Cupcake (grades 2 thru 8)

Cupcakes take the cake! In a world where everything is getting big and bigger, the cupcake stands out as a reminder that good things come in small packages. At Camp Cupcake, you'll be measuring, blending, pouring, baking and decorating plain and fancy cupcakes all day long. Following basic recipes, learn to create your own take on yummy cupcake recipes from around the world. Learn decorating tips and icing techniques as you decorate your cupcake projects. At the end of camp, you will take home your own cupcake portfolio filled with recipes, pictures of your projects and homemade recipe cards. Everyone gets to eat the homework. **Please bring an apron, dishtowel and five plastic food containers to class. PLEASE NOTE: We cannot accommodate your child's food allergies. Children with food allergies should not register for cooking camps.**

CHGI 045-33

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),

August 7-11 (Tuition \$120 + general fee \$55) Total \$175.

PANITA YETSKO

Week #7 August 7-11

Camp MakerSpace (grades 2 thru 7)

Critical thinking, problem-solving, and engineering skills can help all kids get ahead in today's world.

How can we encourage these 21st century skills?

Through hands-on exploration, tinkering, and play! Come together to create, invent and design using a variety of everyday items and household materials. Each day, be introduced to new makerspace projects that encourage creative thinking and hands-on inventing. The only limits to what you can do is your own imagination!

CHGI 075-02

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$105 + general fee \$70) Total \$175.
FYI CREATIONS

Christmas Crafts in August (grades 2 thru 8)

It's never too early to think about the fun and magic of holiday crafts and decorating, so get ready to fill your stockings with good, old fashioned, "I made it myself" Christmas crafts. What better time of the year to think c-o-o-l? Create wrapping paper, cards, wreaths, ornaments, calendars, gift bags, centerpieces and much, much, more! Think icicles, candy canes, peppermint, reindeer and lots of snow! It's a week-long Christmas extravaganza!

CHPF 054-04

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$120 + general fee \$55) Total \$175.
EMILY CONNORS

Flight & Rocketry: Come Soar with Us! (grades 3 thru 8)

Blast off into a fun-filled week of flight, rocketry and physics as you build and launch scale model rockets, planes and other flying gadgets. Build paper air planes and gliders and compete against your fellow campers in our aviation competition. We'll have contests to determine accuracy, distance, hang time, best loops, best boomerang, worst crash landing and many more. Converting empty plastic soda bottles into high-flying rockets provides a great opportunity to discover important scientific principles such as Newton's Laws, acceleration, thrust and inertia. This camp is the "Wanna-Be a Rocket Scientist's" dream come true! *Bring two 2-liter empty, clean and dry soda bottles to camp as well as two-three plastic grocery bags on the first day of camp!*

CHSC 092-53

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$120 + general fee \$55) Total \$175.
DOLORES TAYLOR

Golf: How to Play the Game (grades 4 thru 8)

Join us this summer and participate in the sport that is sweeping the nation! Learn the skills of how to play the game such as grip, stance, swing, putting and chipping. Rain or shine, we have it covered. Campers who swim must bring bathing a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Golf campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria. **Prerequisite: None**

CHSP 004-45

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$120 + general fee \$55) Total \$175.
STAFF

Hip Hop & Street Jazz (grades 2 thru 8)

Whether you are a seasoned dancer or just trying something new, Camp Middlesex is excited to offer Hip Hop & Street Jazz dance camp just for you! Weekly dance classes will consist of the latest hip hop and street jazz dance moves. Warm-up, learn technical skills, coordination exercises and musicality to fun upbeat songs. Get off the couch and come move to the beat for a great workout and loads of fun! Campers get to swim in the College's indoor Olympic-sized swimming pool too. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHPF 064-17

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$120 + general fee \$55) Total \$175.
NICOLE MORATH

Magic Academy (grades 2 thru 8)

Are you ready to take your magic skills to the next level? Taught by a professional magician, you will build upon your knowledge of magic tricks using a deck of cards, coins, common objects, and other pocket-sized props. Campers will receive their own "Box of Fun," adding to their collection of magical tools designed to advance their study as magicians. Learning the fine art of magic elevates a child's inner confidence, communication skills, and creativity. Register for this camp now and amaze everyone in your very own magic show! **Prerequisite: Must have completed Magic and Imagination.**

CHPF 018-19

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$120 + general fee \$55) Total \$175.
ALEX "THE CARDMAN" PERRICONE

Lego® Comics: Design Your Own Adventure! (grades 2 thru 4)

In this LEGO adventure, YOU are the star! Pick your favorite LEGO genre or create an alternate universe to create a digital illustrated story or graphic novel. Whether you want to fight alongside Superheroes, create a Minecraft story, hang with the Nexo Knights, or go into space with Rey and Finn, the only requirement is that you put yourself in the story! All campers will end the class with a digital comic book that can be shared with friends and family on a password-protected website! Campers will work in teams for most of the program.

CHBR 061-01

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Math Olympics (grades 4 thru 6)

Join us this summer for a challenging camp that incorporates learning with fun! Age-appropriate activities include math games, logic problems, skill building activities, group and individual competitions and much, much more. Learn and play different games daily to help reinforce basic facts, fractions, probability, logic and geometry. Build up your math muscles, bulk up your brain cells and tone your strategizing skills!

CHGI 013-31

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$120 + general fee \$55) Total \$175.
CHRISTINE HEYL

Week #7 August 7-11

Tennis (grades 4 thru 10)

Tennis enthusiasts at all levels will learn to enhance their skills and enjoyment of the game. Emphasis is placed on developing and improving basic skills through individual and group instruction. Each group progresses through a carefully planned program corresponding to its ability. Tennis games along with individual drills and instructional techniques are used daily to ensure fun while learning. Camp equipment: Each camper must bring sneakers/tennis shoes, tennis racquet, towel, sweat socks and shorts. Campers who swim must bring a suit, towel and a gym lock. Lockers and shower facilities are available in the Physical Education Center. Tennis campers are responsible for their own lunches, either brought from home (no refrigeration provided) or purchased in the College Cafeteria.

CHSP 020-52 Session III

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 7-11 (Tuition \$120 + general fee \$55) Total \$175.
STAFF

Tie Dye (grades 2 thru 8)

Have you ever tried tie-dye? Tie-dyeing is accomplished by folding materials into a pattern, and binding it with string or rubber bands. Designs are formed by applying different colors of dyes to different sections of the wet fabric. Learn the history behind tie dye while also learning about the different techniques used in tie-dyeing. We will tie-dye shirts, socks and other items, both wearable and edible. **Please bring 2 white t-shirts, a pair of white socks and a smock to class.**

CHGI 056-13

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),

Sewing for Beginners: Level II (grades 5 thru 10)

Let's SEW SOME MORE!! Gain more proficiency and benefit from individual instruction provided by the instructor. Basic, easy projects will teach pattern placement, cutting, sewing, and finishing. Your instructor will provide patterns for projects. Students are welcome to bring their own machines; class machines will also be available. A list of required supplies to bring to the first class will be sent to you along with your camp confirmation letter. **Prerequisite: Must have completed Sewing for Beginners.**

CHPF 041-10

Monday-Friday, 1-5 p.m.,
August 7-11 (Tuition \$120 + general fee \$55) Total \$175.
RAMONA TAYLOR

Sketch Up (grades 3 thru 8)

Google Sketch Up is an easy-to-use 3D modeling software that enables you to create 3D models of houses, buildings, rockets and many other objects, using an array of drag and drop tools and materials in a WYSIWYG editing environment. You can design your objects with rectangles, circles, ovals, arcs, lines and freehand drawings, and use a unique push/pull tool to add dimension to 2D objects. The program offers a library of building material patterns (brick, concrete, wood, glass, carpet, etc.) and colors that you can use to add a realistic look to your creation. You can plan a house, design textile prints or invent an amusement park ride! Developing an interest in computer drawing with Google Sketch Up could lead to a future career choice in architecture or engineering – who knows! **Campers should bring headphones and USB flash drive to class.**

CHCP 019-12

Chess (grades 3 thru 7)

Not sure about your next move? Why not consider MCC's chess camp and develop the critical life skills of logical thinking, creative problem solving, concentration and organization? Led by a chess master, math teacher and member of the U.S. Chess Federation with over 25 years of experience, this camp teaches basic moves and strategy. Participate in other math and logic games that facilitate fun and enhance brainpower. A chess tournament will top off this fun-filled week and the winner will receive his or her very own chess set!

CHGI 005-67

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$120 + general fee \$55) Total \$175.
PINKUS PAVLOTSKIY

Code Breakers (grades 5 thru 8)

Calling all future coders, programmers, and designers! Learn the basics of coding languages like HTML, JavaScript, and CSS through a series of web projects and design challenges each day and be on your way to becoming the next tech star! Whether you want to be the next Mark Zuckerberg or the camper who just made \$1 million for programming in his or her bedroom, this course has the essentials you need to begin your journey. Projects will be available on a Black Rocket website to share with friends and family. Campers will often work in pairs or teams. Returning campers can create more advanced projects that build on previous years' work.

CHBR 038-04

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Digital Photography (grades 4 thru 8)

Technique and style are just a few of the elements that go into taking great pictures. Learn how a camera really works and how to utilize different camera settings for different types of photos. Once we've taken lots of pictures, we'll use Photoshop to manipulate the images and use them in artistic and imaginative ways to create a variety of take home projects. ****Bring your digital camera, connection cords, memory card, memory card reader, a USB flash drive and a plain white T-shirt with you to class.***

CHPT 001-31

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$120 + general fee \$55) Total \$175.
LORI PACANSKY

Girls Rule! (grades 2 thru 7)

Girls rule in this stylin' get-together where everyone is sure to have a blast! Join us in this fun-filled camp of glitz and glamour where it's great to be a girl. Campers can look forward to spending the day in their pajamas at our "Slumber Party" or relaxing on "Salon 'N' Spa Day" with do-it-yourself beauty treatments and pedicures. Your creative flair will be put to test with a variety of very fancy projects to craft, including makeup bags, glitter body gel, lip gloss, and more. So take a cue from us and make every day a girly day!

CHGI 024-22

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$105 + general fee \$70) Total \$175.
FYI CREATIONS

Harry Potter (grades 2 thru 7)

Step into the world of Harry Potter and get "sorted" into the house that is just right for you! Compete in activities to gain (or lose) points toward the House Cup. Make edible polyjuice potions, play trivia games, reenact famous scenes and make a wand that fits your personality! What was Harry's first broom? At the Yule Ball what did Harry order to eat? Who was the original owner of the invisibility cloak? All these questions and more will be answered when you join the wizardry world of Harry Potter!

CHGI 041-21

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$120 + general fee \$55) Total \$175.
SHAUNA EVANS

Jewelry Making (grades 2 thru 8)

Earrings, bracelets, rings and necklaces! Use wire, polymer clay, beads, jute and a host of other materials to create unique pieces of jewelry and art. It takes only a few simple tools and an assortment of easy-to-learn techniques to craft the most exquisite jewelry. Create one-of-a-kind jewelry that reflects your style and personality. Nobody else will have anything like it!

CHPF 020-33

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$120 + general fee \$55) Total \$175.
SUSAN PIPITONE

Kitchen Chemistry (grades 2 thru 6)

Household ingredients + scientific exploration = fun! See how items found in everyone's home turn kitchens into a chemistry lab. Each day investigate new ingredients to see how they react with one another. Learn about chemical reactions, density, pH, matter and physical changes through hands-on activities. And make surprise treats to enjoy while doing scientific experiments!

CHSC 014-20

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$120 + general fee \$55) Total \$175.
DOLORES TAYLOR

Make Your First Video Game (grades 2 thru 4)

If you love playing video games, this is the camp for you! Make your first video game in this one-of-a-kind camp that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Camper-created games will be available on a password-protected Black Rocket website to share with friends and family. Games are only compatible on PC computers, MAC versions can be created after the program for \$15 conversion fee. Campers will often work in pairs or team. Returning campers can create more advanced projects that build on previous years' work.

CHBR 003-25

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$59 + general fee \$140) Total \$199.
BLACK ROCKET

Robotics (grades 2 thru 6)

Are you ready for the future? Join us as we delve into the ever-expanding field of robotics! Build your very own robot and participate in activities that will educate you on the history and inner-workings of modern mechanical creations. Work together to practice proper building techniques, become familiar with basic hand tools, and, at the end of the week, take home a robot of your own!

CHSC 011-50

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$120 + general fee \$55) Total \$175.
ZOE KARAGAN

Week #8 August 14-18

STEM Inventions with LittleBits (grades 2 thru 7)

STEM stands for Science, Technology, Engineering, and Math. In this invention workshop, enhance your skills with a great new system of discovery called LittleBits. LittleBits is a system of easy-to-use electronic building blocks that empower you to invent anything, from your own remote controlled car, to a smart home device. The Bits snap together with magnets; no soldering, no wiring, and no programming needed. Begin with several inventions intended to let you understand how the components work together and then design and create your own inventions.

CHSS 011-04

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$80 + general fee \$95) Total \$175.
SUPER SCIENCE FOR KIDS

Study Skills for Junior High School Students (grades 7, 8, 9)

Tired of spending hours reviewing for your tests? Looking to take better notes or understand stories better? Then this is the class for you! Explore ways to be a better student, improve your grades and reduce anxiety by reviewing the skills of time management, concentration, listening, note taking, reading and writing and learning about your personal style.

CHGI 065-08

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$120 + general fee \$55) Total \$175.
DAWN NOONAN

Where in the World and What Do They Speak? (grades 2 thru 8)

Where is Count Dracula's castle? What is a continent and how many are there? What language is spoken in Brazil? How long is the world's longest river? What does a cartographer do? Where is London Bridge? By studying different languages and cultures, we open our perspective and gain a broader understanding of the world and the different people who inhabit our Earth. As you make your travel brochure and get your passport stamped, you will also learn how to say hello, good-bye, how are you and more in five different languages! Join us for a week of games, crafts, hands-on projects and lots of fun as we explore the world, its people, places, languages and food! When you finish this camp, you will be ready to be a world traveler in the future! **Campers should bring headphones and a USB flash drive to class.**

CHGI 059-09

Monday-Friday, 8:30 a.m.-1 p.m. (Lunch 12:30-1 p.m.),
August 14-18 (Tuition \$120 + general fee \$55) Total \$175.
JON EVANS

AFTERNOON (PM) CAMPS

Architectural & Engineering Challenges with LEGOs and K'NEX (grades 2 thru 7)

Campers will design straw towers, balsa bridges and Lego and K'nex™ architecture projects. Have fun building famous structural designs from around the world including the Empire State Building, Imperial Hotel, White House, Flat Iron Building, Seattle Space Needle, and more. Develop science, technology, engineering and mathematical skills that stress structural engineering principles in a fun, hands-on environment.

CHSS 007-05

Monday-Friday, 1-5 p.m.,
August 14-18 (Tuition \$80 + general fee \$95) Total \$175.

Origami-The Art of Folding Paper (grades 3 thru 8)

You asked for it! Let's get together and put our fingertips to work. In origami camp, you will fold into life (artistically speaking of course!) creations like cranes, a talking dog, a jumping frog, monkey and the mountain, and sitting cat. Floral designs you can choose from are the magic rose, origami lotus, and origami lily. You can use these amazing folded creations to gift wrap and enhance birthday and holiday gifts. Or keep them for display to show everyone how talented you are! For the geometry lover, we will make boxes and cubes, an Epcot Ball, and an origami gyroscope! Feel free to bring along any origami instructions that you may want to try.

RELEASE AUTHORIZATION

Children will only be released to individuals who are authorized. If you wish to have your child picked up by individuals not on this list, you must provide the camp with a revised authorization list 48 hours before pick-up date.

Name Relationship Phone #

Name Relationship Phone #

If an emergency illness or injury occurs, I (parent/guardian) hereby authorize Middlesex County College to treat and/or send this person to a physician or hospital and authorize the necessary treatment. I also authorize the physician or hospital to release my child after treatment to a representative of Middlesex County College. All information on this form is complete, true and accurate to the best of my knowledge.

SIGNATURE OF PARENT/GUARDIAN DATE

TERMS OF PARTICIPATION

Both sides of this form must be completed and returned with EACH camp registration.
Registration will NOT be processed unless it is accompanied by this form.

BEHAVIOR

Students are expected to:

- Behave in a friendly, cooperative and responsible manner toward fellow campers, instructors and MCC staff
- Respect the ideas and property of others
- Strive to do the best work possible in their courses
- Be able to work independently
- Be able to focus on a task to completion

Students may be excluded from activities or dismissed from the program for not adhering to the behavior guidelines above or for:

- Leaving assigned area unaccompanied by a staff member
 - Stealing or vandalizing College property or the property of others
 - Bullying
 - Jeopardizing the safety or well-being of oneself or others
 - Disrupting the learning environment.
 - Parents/caregivers/guardians are expected to escort campers to and from classrooms.
-

WAIVER AND HOLD HARMLESS AGREEMENT

Please read this form carefully and be aware that in having your child registered and participating in this program, you will be waiving and releasing all claims for injuries your child might sustain in this program.

- As the parent/guardian of a participant in this program, you recognize and acknowledge that there are certain risks of physical injury arising out of this program and agree to assume full risk of any injury, damage or loss which your child may sustain as a result of participating in any and all activities associated with this program.
 - You agree to waive, release, discharge and/or relinquish all claims or accrued costs you may have as a result of your child participating in this program against Middlesex County College, its Board of Trustees, officers, representatives, agents, faculty and staff.
 - You further agree to indemnify, hold harmless, and defend Middlesex County College, its Board of Trustees, officers, representatives, agents, faculty and staff from any and all claims resulting from injuries, damages and losses sustained by your child and arising out of, connected with or in any way associated with the activities of the program.
 - In the event of an emergency, you authorize Middlesex County College staff to secure from any licensed hospital, physician and/or medical personnel any treatment deemed necessary for your child's immediate care and agree to be responsible for payment of any and all charges for medical services rendered.
-

COMPUTER USE AGREEMENT

- Certain camps may use the Internet as part of curriculum developed by the instructor. With this educational opportunity comes responsibility, to be shared by the camper, parent/guardian and the College staff.
 - Campers will use the software that pertains to their camp. They may use the Internet when the instructor gives them permission.
 - Campers should tell their instructor immediately if they encounter information that is inappropriate or makes them feel uncomfortable.
 - Campers shall not give out any personal information while online.
 - Parents will be contacted if their child is involved in any unacceptable situations while using the computer.
-

MEDIA RELEASE

- As a parent/guardian of a participant in the Theater Camp program you authorize and acknowledge permission for the local cable company to video record Theater Camp performances and broadcast those performances on the local cable network.
 - You release Middlesex County College, its Board of Trustees, officers, representatives, agents, faculty and staff of and from any claims (monetary or otherwise) that you may have related to the use of these images.

Details, Details, Details....

Registration Questions? – Please call 732.906.2556

Full payment must be made at time of registration.

Refund and Cancellation Policy

A refund or credit will be issued if you notify the College of your withdrawal at least five working days before each camp starts. No refunds will be issued thereafter. Call (732) 906-2556 to request a required withdrawal form. A \$20 processing fee will be deducted from your refund. The Division reserves the right to cancel programs where there is insufficient enrollment, to combine or divide sections and to change time, day and instructor. In these situations, campers are eligible for a complete refund.

Late Registration Fee

Register at least five working days before the first day of the course to avoid a late fee of \$20.

Change Fee

We are happy to accept your camp change with a \$20 change fee.

Tax ID

Our tax ID for child care deduction is: **22-1769370**.

Camp Confirmation and Location

Confirmation letters will be generated upon receipt of your completed registration. In the event that you have not received your confirmation within five days of the start date, call Continuing Education at (732) 906-2556. There will be no refunds due to non-receipt of a confirmation letter. Information regarding your child's camp location will be included in the confirmation. Programs meet at the main college campus, in Edison, NJ.

Drop Off and Pick Up

All campers must be escorted and picked up at their classrooms or Pre-Camp/After Camp if applicable. Children not registered for After-Camp must be picked up by 5 p.m.

Late Pick-Up Fees

If your child is not picked up by 5 p.m., he or she will be taken to After-Camp and you will be charged a penalty of \$25 per ½ hour.

Lunch and Snacks

Campers are responsible for providing their own lunches, snacks and beverage. No refrigeration is provided.

OUR CAMPUS IS NOT PEANUT OR TREE NUT FREE.

Shoes

Flip flops, heeies or sneakers with roller blades are not allowed at Camp Middlesex. Open toed sandals are highly discouraged.

DO NOT BRING: CELL PHONES, IPODS, HAND HELD COMPUTERS OR ELECTRONIC DEVICES TO CAMP.

Campers with Disabilities

Middlesex County College provides reasonable accommodation for qualified campers with disabilities. However, all campers must meet the essential functions of the camp program. Parents are advised to consult the College's Disability Services Policies and Procedures by calling 732.906.2546.

Emergency Closings

The College is in full operation every scheduled day. On certain occasions, morning or afternoon programs may be delayed or cancelled. Please call 732.906.2555 or check our website at www.middlesexcc.edu for more information.

Extended Day Program

See inside front cover for information on Pre-Camp (7:30-8:30 a.m.) and After-Camp (5-6 p.m.) options. It's convenient, safe and affordable!

NOTE: Children must be picked up by 6 p.m. from After-Camp or you will be charged a late penalty of \$25 per ½ hour.

Holidays

Camp Middlesex will be closed on July 4th in observance of Independence Day.

Questions?

Call 732.906.2556

Parking

Free parking is available in student and visitor parking lots; park in the white line spaces only.

Health & Waiver Form

All registrations must include a fully completed and signed Health & Waiver and Terms of Participation form or they will not be processed. See page 37-38

Break

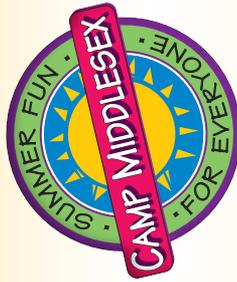

All camp sessions include a mid-morning and mid-afternoon break, indoors and/or outdoors, weather permitting.

Lost And Found

Inquiries regarding lost items may be made in person at Police Headquarters, the Gateway building.
