RE: **Parking for Fall 2017**

---

Welcome to Middlesex County College, New Brunswick Center. You are being provided with updated parking access information pertaining to students for the 2017 fall semester. Registered MCC students receive a student discounted rate from the New Brunswick Parking Authority (NBPA) when they purchase a parking pass for the academic semester.

There are currently two (2) parking options offered by the NBPA.

**1. 2017 academic semester student discounted parking pass:**

Daytime and evening students can park in the garage for \$35.00 for the academic semester. In addition, there is a one-time security deposit of \$5.00 which is refundable when the card is returned to the NBPA.

To sign up for a semester pass, students must go to the NBPA offices located at:

New Brunswick Parking Authority  
106 Somerset Street, 6<sup>th</sup> Floor  
New Brunswick, NJ 08901  
Hours: Monday – Friday 8:00am –4:30pm

Students will be required to show a valid ID such as, a current driver's license and a print-out of their semester's schedule. Passes will be sold for the up-coming semester only and will be valid for the New Street Deck.

At the end of each semester, **passes will be deactivated**. Students will need to return to the NBPA offices to renew their passes for the up-coming semester. Their access card must be returned to NBPA office in order for the \$5.00 security deposit to be refunded. A **\$15.00** fee will be assessed for the replacement of a **LOST or STOLEN** access card.

**2. In lieu of a pass for the semester, students may park in the NEW Street Parking deck and pay the established daily rate. For example, the current parking fee is \$3.00 for the first hour and \$ 5.00 for up to 2 hours. Daily parking rates are posted at every NBPA facility and can be accessed online at [www.njnbpa.org](http://www.njnbpa.org).**

*Parking rates are subject to change at the discretion of the New Brunswick Parking Authority. You are encouraged to contact them directly at 732-545-3118 for any questions or concerns regarding parking access.*
