

SQ # 10300 Manual and Vending Food Services

1. Does the current contractor receive any payments in the form of subsidy, or fees from the College? If so how much per year?

The College does not make any payments to the current contractor.

2. Regarding commissions, please provide the current Percentage and Guaranteed minimum that the college is receiving from the current contractor for Vending and Catering.

Blended commission on vending only; \$38,400 guaranteed per year.

3. Regarding equipment used in support of manual and catering services, requesting a list identifying what is college owned verses contractor owned equipment.

All equipment that was shown during the walk through is College owned.

Please be advised that the Middlesex County College Retail Services Corporation Board of Directors meeting originally schedule for Monday, April 25, 2016 has been rescheduled for Monday, May 2, 2016.

The opening date remains the same.
