EDISON, NJ 08818
LOCAL SUPPLIER BLANKET ORDER SPECIFICATIONS**

The College is soliciting bids to award a Local Supplier Blanket Order agreement for the purchase of supplies for the period of July 1, 2016 through June 30, 2017 and all prices must be guaranteed for the fiscal year. Quantities are to be released on an as needed basis by the College Facilities Department. Refer to attached list of items.

If any item requires minimum packaged quantities, please indicate minimum quantities required next to the unit price column and complete the necessary unit pricing on all indicated pages.

The College cannot project future volume in any category since purchases are on a demand basis. All items indicated have been selected for competitive pricing based on prior usage.

All prices quoted shall include freight or other charges incidental to the delivery of the items quoted. There is to be no minimum dollar amount per order. The vendor shall have access to, at a minimum, 1/12th of the quantity of each item listed to be able to deliver within two (2) business days of order placement. Backorders are to be filled within 14 business days. All prices shall be held for the term of the contract.

If your firm is awarded this contract, a separate purchase order will be issued. Please direct all inquiries referencing the above bid number to the Director of Purchasing and Inventory, Mr. David Fricke, (732) 906-2519.

NOTE: Final award will be made to the most qualified local supplier(s) and will be based on the majority number of items that are determined to be the lowest unit price and/or best discount.

It is agreed and understood that all purchase orders issued during this contract period for those items not included in this list will also be priced and billed from the Miscellaneous Item price schedule.

The Director of Purchasing and Inventory or his assignee reserves the right to examine and audit invoices processed during the term of this contract. Any violation in this agreement may result in canceling this contract immediately and the difference charged back or credited for any disclosed item found to be incorrectly billed to the College. The College reserves the right to cancel this contract due to vendor non-performance.
