Edison, New Jersey 08818

Indoor Recycling Containers

Each container shall be constructed of fully coated 13 gauge steel. The top shall have a full linear hinge across the back and be semi-gloss black in color with the opening as noted below. The container shall be of the color noted below both on the inside and outside of the container. Each container shall have a hinged bag holder device made of round metal rod around the perimeter of the top opening for easy and quick servicing. Capacity shall be 32 gallons with dimensions of 15"W x 15"L x 32"H.

Each set of 3 containers shall contain the following:

- (1) Slate Color container with a slot opening with a "Paper" decal
- (1) Charcoal Color container with a square opening with a "Trash" decal
- (1) Scarlet Red Color container with a round opening with a "Bottles and Cans" decal
